'985W' is a super powerful, sound footed, neat fronted son of the now deceased BLFM Entourage. Although his sire only produced a few progeny prior to his premature death, he produced some great ones and '985W' is at the top of the list. This fall yearling is low birth, high growth and backed by some of the greatest ChiAngus genetics in the breed. This bull is built and bred to produce successful show cattle, low birth, and fast gaining calves that will excel in all aspects of the beef industry.

**Selling two-thirds interest and full possession in Lots 2, 3, 4, & 5.**

These flush mate full brothers (Lots 2, 3, 4 & 5) present a special opportunity to acquire ChiAngus genetics designed for powerful, predictable performance backed by show ring excellence. Their sire, CJ Prestige 25T, was the \$50,000 top selling bull at the 2008 Wilson Cattle Company Production Sale. He went on to be named the Senior & Reserve Grand Champion Angus Bull at the 2010 National Western Stock Show. Their powerful donor dam, WRL Miss Rattle 107P, has already produced WCC Miss Rattle 362S who was the Grand Champion Female at the 2008 Fort Worth Stock Show and went on to be named the 2008 ACA National Champion ChiAngus Female in Louisville. Her 2010 bull calf progeny include WCC Exact Science 350X, the \$18,000 top seller from the 2010 Wilson Cattle Company Sale and WCC Exact Change 352X. These two impressive calves were the Early Junior Bull Calf Champion and Reserve Early Junior Bull Calf Champion respectively at the 2010 ACA National Show, Louisville, KY. This is a rare opportunity to choose between breed improving, herd sire caliber genetics in the 2011 ACA "Hybrid Advantage" Sale.

His added balance, structural correctness and muscle will allow him to become an incredible herd sire in the near future. Not only is he easy on the eyes but genetically he is truly special as well. As many know the Who Da Man line of genetics are extremely popular and very valuable. He too is out of the great Naomi chiangus cow that has been so influential in our herd. Make sure you look this bull calf up in the yards. He will be one you will want to mark down

What a great opportunity to acquire genetics from a quality ChiAngus donor dam. RDD Ms Bonus L467 1CA was purchased from the top of the historic 2006 Deiter Bros. Dispersion where she was purchased by Sheets ChiAngus, West Lafayette, IN and Four Roses Cattle Company, Logansport, IN. She brings a impeccable EPD profile to the table with a BW in the top 15%; WW in the top 16%; YW in the top 11%; Milk in the top 16%; REA in the top 3%.

Four Roses Destination 15T was the ACA National Champion ChiAngus Bull at the 2009 NAILE, Louisville, KY. He is tested free of TH, PHA, AM & NH.

RDD Destiny's Ace 1CA needs little introduction to the ChiAngus industry. He was the ACA National Champion ChiAngus Bull at the 2002 NAILE, Louisville, KY. He is the most influential ChiAngus sire in the breed over the past decade. He is the sire of Champions & top sellers too numerous to mention.

Hannah's sire, Hannibal has a reputation of siring exceptional show heifers that make great cows, this girl is no exception. We feel that this is one of the better heifers to have strutted her stuff through our pastures. She is really big ribbed with lots of depth and length of front. She is ideal in her design and as structurally correct as you could make one with lots of bone and muscle expression with an elegant feminine look about her. Her dam is an Energizer daughter that goes back to RDD Tracer that never misses for us. She is dual registered as a Chi and also as a Main Tainer which gives you options in the showing. We are very excited to offer her at auction and feel she has a very bright future.

This may be the most unique female that Holt Bros will offer for sale this year! Freak necked is the term that will come to mind when you first lay eyes on this young heifer, but along with that, she is big bellied, has great rib shape and volume and extra sound. She has as much hair as you could ever put on one, which adds to her exceptional eye appeal that will certainly catch the attention of many judges in the show ring and put yourself right in front of the picture backdrop. Her dam was a winner herself being named Calf Champion at the ACA National Chiangus Show at the NAILE, Louisville, KY.

This Monopoly, May heifer calf is definitely an eye catcher. Her stunning look combined with all the mass, power and a huge rib cage, make her extremely good no matter what circle of the cattle industry you are in. She is one that will contend at many shows as well as make a great donor in the future. Not to mention she is backed by an incredible kadabra cow that is a 5/8 Maine. So all of you juniors thinking about this summer's nationals this female double register as a chi and a maintainer. This female is definitely one you will want to see.
