MILAM CATTLE COMPANY PRODUCTION SALE

Saturday, March 12, 2011 _ 1:00 p.m. CST
at the farm, Olmstead, Kentucky

MILAM Cattle Company

Chris, Laura, Caroline, Andrew & Zachary Milam
785 Cedar Grove Road Olmstead, KY 42265
h: 270.726.1803 • m: 270.847.0634
e: cmila2@uky.edu

On behalf of my family and I, I want to welcome you to our second annual production sale. We are offering some of the very best females in our herd and a tremendous set of herd sire prospects.

My family lives the cattle business and appreciates all of our customers and friends. The Limousin breeders are a family and we all strive to produce the best product possible and to build relationships as we go. Over the last few years we have made lasting friendships with fellow breeders and I want to continue to make this a

people business and up hold the integrity of the Limousin breed.

So please join us on March 12th for good cattle and fellowship. Also if you have any questions concerning the sale do not hesitate to give me a call. Additional data and corrections will be available sale day.

Sincerely,

Chris Milam and Family

DIRECTIONS

From Bowling Green, Ky. Take Highway 68/80 west to Russellville and turn left on Highway 79 south. Travel approximately five miles and turn left on Highway 1041 (by Ed's BBQ). Go five to six miles and turn right on Cedar Grove Road and the farm is the second house on the left.

From Clarksville, Tn. Take Highway 79 North to Highway 775 (Olmstead road) and turn right. Go three to four miles to intersection and go right one mile to Cedar Grove Road on the left. Cross the bridge and the farm is the second house on the right.

From Springfield, Tn. Take Highway 431 north just outside of town and turn left on Highway 161. Travel 13 miles to Keysburg, Ky. And turn right on Highway 96. Go four miles to highway 1041 and turn left. Travel five miles to Cedar Grove Road on the left and the farm will be the second house on the left.

AIR TRANSPORTATION

Sale site is located 1 hour north of Nashville, TN where all major airlines are located. For assistance with your travel arrangements feel free to call Randy Ratliff his office would more than happy to assist you.

TERMS & CONDITIONS & INSURANCE

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative from American Livestock Insurance will be available to offer insurance on any purchases.

LIABILITIES

Please note: The sale manager is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager or Milam Cattle Company assume liability, legal or otherwise, for any accidents which may occur.

Donor
LVLS STELLA 111S

_One of the leading donor cows in the Milam Cattle Co. program is LVLS Stella 111S. She is a homozygous polled 50% Lim-Flex daughter of LVLS Top Criteria 8862P. She was recently the top selling lot in the Fort Worth Cowtown Classic Limousin sale at \$9,900 selling to Moreno Limousin Farms, Miami, FL and Magness Land & Cattle Co., Platteville, CO. This donor cow has all it going in her favor and is one of the very best Lim-Flex females in our breed. She is big footed, super sound in her structure and very long, clean up through her front end and very appealing in her profile. This future donor cow is made near perfect and has the appeal with her being a complete outcross to most established lines of cattle. Buyer will supply the semen and will receive 6 embryos by the bull of their choice.

Lot 2
DFLC HBHPC 1S

Here is a sale highlight and one of the finest females to represent the Milam Cattle Co. and Twin Willows Farm, Springfield, MO. She is a double homozygous 75% Lim-Flex daughter of the marbling and multiple trait leading sire JCL Lodestar. She is very appealing up through her front end, very feminine in her look and has the maternal characteristics needed to get anyone's attention. This future donor cow offers a solid set of epd's and she has the proof of her performance at her side, a bull calf sired by 5064.

Lot 4-
CMIL 935W

These four purebred first calf heifers are from the heart of the Milam Cattle Co. herd. They are all sired by the breed's most widely used and most popular sire of numerous show champions, DHVO Deuce. The Deuce bull has taken our breed by storm and is responsible for siring more show champions than any other sire ever! These four heifers were picked to highlight this annual sale and are from the very heart of the Milam program.

Here is a very well made daughter of Wulf's Sirloin 3172S, the breed's popular COLE Wulf Hunt son that is a top herd sire for Englewood Farms and Wulf Limousin. This first calf heifer goes back to a daughter of Wulf's Polled Progress that is a solid producing cow for Milam. She sells bred to the 2010 All American Futurity reserve grand champion bull MAGS Landmark.

A.I. 6.24.10 to MAGS The General; P.E. to EXLR 137U
6.30.10 to 7.31.10.

Here is one of the sale features! She is a 50% Lim-Flex daughter of JCL Lodestar 27L. This amazing female has a breed leading set of epd's with a highlighted -3.4 for birth, 100 for yearling weight, .53 for marbling and 58 for MTI. This female is big time at any level and is a highlight in this event. She is double homozygous and sells bred to MAGS The General, the popular son of AUTO Dollar General.

A.I. 6.24.10 to Wulf's Urban Cowboy; P.E. to MAGS Unmerciful 6.30.10 to 7.31.10.

_One of the matings that seem to have worked real well in our breed is the mating of LESF Asphalt to Angus cows. This female is a prime example of that statement. She is extremely long bodied, level down her topline and very big footed and sound in her structure. This female offers a 32 for milk and has earned her right as a top cow in the Milam Cattle Co. program.

Kentucky Genetic EPD Standards

How to determine if a bull qualifies for a category

1. All categories require that the bull meet a minimum Calving Ease or maximum Birth Weight EPD. If the breed you are using computes Calving Ease EPDs then that is the EPD that must be used. The bulls EPD must be equal to or be greater than the value listed for that category. If the breed does not compute Calving Ease EPDs then Birth Weight EPDs will be used. The breeds that use Birth Weight have parentheses around their values. The bulls Birth Weight EPD must be equal to or less than this value.
 2. All categories have a requirement for growth, however, three have minimum values, one is a maximum value and for the other two there is an upper and lower limit. For Heifer Acceptable, Terminal Sire and High Productivity categories the bull's Weaning Weight OR Yearling Weight EPD must be equal to or greater than the value listed. For the Low Maintenance category the bull's Yearling Weight must be equal to or less than the value listed. For the Balanced Trait category the bull's Weaning Weight OR Yearling Weight EPD must be equal to or in between the two values listed. For the Carcass Merit category the bulls Carcass Weight EPD must be equal to or in between the two values listed. In this category if the breed does not compute Carcass Weight EPDs then Yearling Weight EPDs are used and this is indicated by the values being in parentheses.
 3. There are requirements for milking ability in three of the categories. Balanced Trait bulls must have an EPD that is equal to or in between the two values listed. For the Low Maintenance Category the bull's EPD must be equal to or less than the value listed. High Productivity bulls must have a value that is equal to or greater than the EPD listed in the guidelines. The other three categories have no requirement for milk.
 4. Carcass Merit bulls must also meet minimum standards carcass characteristics; one pertaining to improved Quality Grade and the other to improved Yield Grade. For improved Quality Grade the bull's EPD for Marbling or Intra-Muscular Fat (IMF) must be equal to or greater than the value listed (For Angus both Marbling and IMF values are listed and the bull must meet one or the other). For improved Yield Grade the bulls EPD for Yield Grade (lower values means greater red meat yield) must be equal to or less than the value listed. If the breed computes % Retail Product instead of Yield Grade EPDs then the bull's EPD must be equal to or greater than the value listed (For Angus either the Ultrasound %RP or the Carcass %RP may be used). If the breed does not compute Yield Grade or % Retail Product then the bull's EPD for Rib Eye Area (REA) must be equal to or greater than the value listed AND his EPD for Fat must be equal to or less than the value listed. Breeds that do not compute carcass EPDs do not qualify under this category.
- For more information there is a video available at your county Extension office or contact your county agent for Agriculture and Natural Resources or Darrh Bullock, University of Kentucky Beef Extension Specialist - 859-257-7514 or dbullock@uky.edu

EPD REQUIREMENTS

LIMOUSIN

North American Limousin Foundation
303/220-1693
www.TodaysLimousin.com

"Limousin bulls can transform an average to below average set of cows into a set of calves that will top the market. No other breed puts the muscle shape and expression on a set of calves like Limousin."

~ John Campbell, Winter Livestock, La Junta, Colorado

The Dollars Don't Lie, Limousin Top the Market

- Heavier Weaning Weight
- Marketing Options with Strauss and Laura's Lean
- Yield Superiority
- Mainstream Acceptance and Marketing Assistance
- Feed Efficiency
- Carcass Yield and Grid Value

Breed	Postweaning Growth & Carcass						Feed Efficiency	
	Dressing %	Yield Grade	Ribeye Area	Fat Thickness	Shear Force	Flavor	Time 187-d	Fat Thickness 0.43 in
	Simmental	4	4	3	1	1	3	2
Gelbvieh	3	3	4	3	4	4	3	3
Limousin	1	1	1	1	1	1	1	1
Charolais	2	2	2	4	3	2	4	4

*Ranking determined from results published in the Germplasm Evaluation Progress Report No. 22, ARS-USDA Meat Animal Research Center, Clay Center Nebraska.

A new buyer for your Limousin-influenced calves.

- Hot carcass weight bonus
- Equal value for bulls, heifers and steers
- 450- to 500- lb calves, truckload lots preferred
- Forward buys, spot market contracts, etc. available
- Antibiotic & hormone free, source & age verified
- 52 week-year supply needed
- Accepting deliveries

We care about **Calves**
We care about **American** Farmers
We care about American **Ranchers**
We care about the **Environment**
We know you **CARE, too.**

Increase returns, save time and labor on your 450- to 500-lb calves. Contact a Strauss buying representative today to learn more.
