Terms & Conditions

Terms: Terms of the sale are cash or check (with proper I.D. i.e. valid driver's license) payable to the Sale Clerk. Cattle will not be released from the National Western Stock Show until payment or satisfactory arrangements for payment has been made and approved by the Sale Manager. The Sale Manager reserves the right to require a certified check as settlement before releasing any cattle. All lots offered sell under the standard terms and conditions endorsed by the American Chianina Association.

Purchases and Risk: All animals are at owners risk prior to sale and become property of the buyer as soon as declared sold by the auctioneer.

Insurance: Jim Bessler of Great American Insurance Group will be available sale day to assist you with any livestock insurance needs for your purchases. He may be contacted at 815-762-2641 or *jamesf-bessler@yahoo.com*.

Bidding: All lots sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer. His decision will be final.

Absentee Bidding: If you will not be able to attend the sale, please contact the Sale Manager, ACA/ACJ representative or any of the sale staff a day in advance in order to secure your bidder number and place your orders.

Health: All animals will be accompanied by proper health certificates making them eligible for interstate shipment. Prospective buyers

should make themselves aware of health requirements for their respective states.

Breeding: Bred females have been pregnancy examined safe in calf by a licensed veterinarian. Any updated breeding information will be made available on sale day.

Announcements: Announcements from the auction block will take precedence over the printed material in this catalog and other announcements.

Liabilities: All persons who attend this sale do so at their own risk. The American Chianina Association, National Western Stock Show, consignors or Sale Manager assumes no liabilities for any accidents that may occur. The auctioneer or Sale Manager assumes no liability for loss or injury to the livestock due to theft, mysterious disappearance, sickness, improper handling or an act of God.

Registrations: All animals selling are registered with the American Chianina Association. Registration certificates will be transferred to the new owner. Please be sure to leave complete and accurate transfer instructions with the sale clerk at time of settlement.

Genetic Defect Disclaimer: The ACA recognizes AM, NH, CA, TH & PHA as known genetic abnormalities in which the ACA requires tests for. All suspect cattle by pedigree offered in this sale will be tested for genetic defects prior to the sale.

Pen of Three Full Brothers

Chianina consistency at its finest from 'Mitten Brand'. On her final flush, we mated our 1999-model donor cow, MTN Martina Q116J, to HFM First Impression, a PHA-Free son of Irish Whiskey x WAG Hairietta to produce these Denver entries. On sale day, these ChiMaine bulls will be three weeks shy of yearlings. Note their breed percentage breakdown: 11.28% Chi, 22.01% Maine-Anjou, 62.36% Angus and 4.35% Other.

Their maternal siblings (all BFW Mitten Man x MTN Martina Q116J full siblings) were the Grand Champion Pen of Three Bulls at the 2010 NWSS Chi Pen Show.

The dam's full brother, BFW Mile High, was the 2009 High Selling Chi Bull at the 2009 NWSS Chi Sale. Purchased by Bushy Park Farms, SD.

The dam's last natural calf was BFW Repair Man, Grand Champion Chi Bull at the 2009 NWSS Chi Sale. Purchased by Don & Bellana, Putz, IA.

Consigned by Willers Mitten Brand, Norfolk, NE

Championship Genetics

Selling one-half interest, no possession until end of show career, retaining show rights through Louisville 2012.

SCAR Mr "Lut" 166Y. Opportunities like this just don't come along every day. SCAR Mr "Lut", already named Reserve National Champion ChiAngus bull, caught the eye of many when he strutted his stuff on the green woodchips in Louisville this past fall and now we are offering a chance, at public auction, to get a piece of this tremendous young sire. Phenotypically and structurally flawless, Mr "Lut" is a complete herd sire package, with just the right muscle pattern to go along with an attractive front end and undeniable show ring style and eye appeal! In the ChiAngus arena, he is an out-cross to the RDD Destiny and Eagle Scout bloodlines and sired by one of the most prolific Angus sires out there today, Plainview Lutton E102 "Lut" has progeny that have been a force in the show ring and sales all across the country. In Louisville this past fall alone, three out of the six female division winners were sired by "Lut" with one of those division winners being named National Champion ChiAngus female to go along with Mr "Lut" 166Y's Reserve honor. It doesn't end there, the 2011 National Junior Show Champion ChiAngus female in Kansas City and three more division winners at the 2010 NAILE in Louisville were also all sired by "Lut", not to mention both Supreme Bull and Female at the 2010 Nebraska Cattlemen's Classic. Mr "Lut" is the natural calf of K166 who will turn 12 this spring and those who see her in the pasture will argue that she would be half that age, with her perfect udder, structural soundness and youthfull appearance. With that kind of longevity, low birth weight and pedigree should make Mr "Lut" a true cow maker! Even being Angus sired, Mr. "Lut" offers enough Chi percentage that when mated to a lower percent ChiAngus female, his offspring will follow the new ACA regulations of 6.25% Chi. We believe enough in this guy that we would like to keep a share of ownership in Mr "Lut" and look forward to working with a new co-owner!

Pen of Three Full Brothers

Lot 12

Lot 13

Lot 14

Ms Rockin Ace 36U, dam of Lots 12, 13 & 14.

Consigned by Winegardner Show Cattle, Lima, OH
and Rocking J Ranch, Cody, NE

These three Who Da Man sons out of the National Champion Ms Rockin Ace 36U donor dam are extremely special to us. The look, balance, structural correctness and performance of these three brothers are phenomenal. Not to mention they are full sibs to the recent Harvest of Excellence High seller that brought \$46,000 to the Johnk family in Iowa.

'320Y' - Talk about a good animal, this March calf is so well balanced, great structured and powerful. His added performance and show ring look are nothing to disregard either. Think about the genetic potential here on both sides of this bull's pedigree. **Selling two-thirds interest and full possession, retaining a one-third semen interest.**

'321Y' - This bull is so much like his brother it's scary. His added length and extension combined with a great center body make him a rare find. I promise you will love these three bulls when you see them in the Yards.

'322Y' - Of the three brothers this bull is probably the most different. He still has all of the great attributes, but puts it in a little more moderate package. To keep it simple this bull is a chunk.

TDX AMBER 426T 1CM
HBSC GRETA 224M 2CM

Selling two-thirds interest and full possession, retaining a one-third revenue sharing semen interest.

'426Y' is a royally bred Dr Who son that is also a maternal brother to our Champion Chi heifer at Denver last year and a half brother to the Reserve Champion Chi bulls at Denver in 2009 & 2010. '426Y' possesses great muscle definition, unbelievable hair with a zipper front end. '426Y's' dam is a high dollar producing SLC Sooner daughter who hasn't missed for us. Everyone knows what the Doctor Who females have done and '426Y's' daughters should be tremendous. Double registered as ChiMaine and half blood Maine-Tainer.

This fancy heifer is one that we hate to let go. A long fronted daughter of Pelton Force 67T out of a DCC First Look 3001 dam will turn some heads either in the front pasture or the show ring. She is a foundation prospect for the serious club calf producer or she can be used to upgrade your Chi or Simmental program. Look her up in Denver!
