Tuesday, **MARCH 6**, 2012

WELCOME !!!!

Welcome to our 2012 Bucking Bull Sale! We have struggled with scheduling this sale to fit everyone's busy schedule. So, we set a date and we're having a bull sale! We have worked for years building our breeding program, and with the use of embryo transplant and retaining several heifers each year our production numbers have gotten out of hand. We have so many bulls running around here we just haven't had time to get them bucked or handled like we know they need to be. We are selling several great bulls that have been hauled and we know will work at every level in the business. There is also a great set of young bulls in this offering that haven't been bucked much, are bred right, and have the potential to be super stars in the right hands. We have to cut our numbers back and we have taken these right out of the heart of the herd. We will have videos of the bulls at www.pagebulls.com prior to the sale, and we will buck the bulls on sale day before selling them. So come join us on March 6th for the big day.

Thank You
