Rank is not your average head horse. 2017 earnings were \$30,000. He has a huge motor and extremely fast footed! Used mostly at WSTR roping's. Will fit a six header and above.

Consigned by Jared Gipson

"Bodee" finished heel horse, easy and simple to ride. Very automatic, goes with or without a tie down. Has been hauled to jackpot roping's and rodeos. Guys have won money on her from the open down to the #8. She is very broke and does have earnings in the NRCHA. Habit free. Fifteen hands tall with good solid confirmation. Would be a great asset to any breeding program later on. "Bodee" has been successfully flushed and has three performance age foals that include NRCHA money earners. She has a strong maternal line, Dam is a full sister to Peptoboonsmal and many more phenomenal horses. Royal black peppy has produced roughly 80,000 in money earners.

She will sell with a 2019 or 2020 chute fee only breeding to Stylin Cat. Consigned by HP Performance Horses

“Cowboy” is by the legendary horse Peptoboonsmal and out of a great daughter of Smart little Lena. Bred to be an athlete and that’s just what he is. With four stocking legs and a flaxen mane and tail this is a flashy, stout and correct made gelding that is ready to hit the road on the heel side and suits just about any roper. Good from the open down to the #8. Has plenty of run, rate and stop. A nice honest gelding. No bad habits and hauls great. Anyone would be glad to have this guy on the trailer, he would be an asset in any line up. Cowboy has been ridden outside and used on the ranch.

Cowboy is a five-year-old registered gelding; born, raised, and trained at the Triple J Ranch. Jay Holmes started this young horse in the working cow horse and he is an exceptional athlete. Jay started him in the roping and we are excited with his potential as either a head or heel horse. He is a great prospect for anyone looking to invest in a well-bred and beautiful all-around gelding. Cowboy has also been ranched on and rode outside, he has been won on at ranch rodeos and jackpot team roping's. This is a great chance at a young prospect.

*Hercules*

DOB: 2011 | Gray | Pony

Hercules is 13 hand pony that that thinks he's a big horse and can do about anything a big one can. I've hauled him to major jackpots and open rodeos and won on him heading and heeling also rode him at breakaway jackpots and he's competitive there as well. He's been used on the ranch as a go-to for every job including dragging calves to the fire and taking the long round on a big gather. He has been ridden by kids of all ages and for the last year been ridden mainly by a handful of kids. He's got enough go for the big kids but knows how to take care of the little ones. You would drive the wheels off a brand-new truck trying to find a pony like this one.
