TERMS

GENETIC DEFECT DISCLAIMER: All lots have been tested for the Standard Genetic Defects and are labeled as such. Updates will be available on sale day.

TERMS: All cattle in this sale sell under the sale terms as written by the American Shorthorn Association. Updates will be available on sale day.

PAYMENT TERMS: Terms of the sale are cash or check made payable to Aegerter Marketing Services, Inc., immediately following the sale and before the cattle are removed from the premises. Purchasers or their representatives must sign the bill of sale prior to leaving the sale.

BILLED ACCOUNTS: All billed accounts are due and expected within 10 days of the sale date. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller of a reasonable amount of time. Neither the owner, employees, auctioneer, sale manager or other affiliated personnel can be responsible of any accidents, but they will make every effort to provide for the safety and comfort of those attending.

BREEDING GUARANTEE: We guarantee all livestock sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity for the show ring, we hold the feeder responsible for any reproductive problems and no longer feel responsible to guarantee that individual animal. In the rare case that this should occur, the Red Dirt Treasures Group will still try and help you through two breeding seasons.

EMBRYOS: The Red Dirt Treasures group will guarantee one pregnancy on each package of embryos selling if implanted by a certified technician.

FLUSH RIGHTS: The Red Dirt Treasures consignors reserve the right to one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. Flush to take place at the convenience of the buyer at a location of their choice.

Dear Shorthorn Friends,

It is with great pleasure I get to introduce you to the Lazy Bar F and Double G Shorthorns and guests 'Red Dirt Treasures' Sale. The sale contributors have invested significant time and money to build programs that are on the cutting edge in the Shorthorn Breed and now it is time to offer the fruits of their labor in this event. We have a diverse offering of Bred Females, Cow/Calf Pairs, Show Heifer Prospects, Herd Bulls, Pregnancies, Embryos and Semen. There is literally something for everyone and you will be working with some of the best people in the business!

Not only will you get to evaluate great cattle, the hospitality will also be the best highlighted by a Ribeye Steak Lunch prior to the sale. Please take time to be with us on April 13th to see this offering and share some great Shorthorn fellowship. You will not be disappointed.

As always, please contact us if we can be of assistance.

Sincerely,
 Jeff K. Aegerter

Nice profiling blue heifer that's going to make a great cow. She's smooth made and will raise great ones. Breed her to Shorthorns and it won't take long to have some appendix free progeny, or breed her clubby and enjoy showing in the increasingly popular ShorthornPlus show. THE, PHAF, DSF

Hailing from the famed WHR Diane cow family and sired by the Canadian bull doing great things for Moore Shorthorns, this bred heifer is a genetic and phenotypic beauty. Big boned, plenty of muscle, bold ribbed- you will enjoy her for years to come. THE, PHAF, DSF

Red Ransom is a combination of true muscle shape and structural correctness. SULL Red Rosemary is a past NAILE and NWSS Champion. She stems from a cow family that help transition the Shorthorn breed into a powerhouse in the show ring. She is a full sib to breed legends such as CF Solution, SULL Right Direction, SULL Rose Mary 636, and HD Ruby 903. Red Rosemary herself is the dam to SULL Roses Are Red who was past NWSS, NJHS, and American Royal Champion.
