Welcome to the 25th Fall Premier Sale,

It's amazing how time flies when you're having fun! Over the past 25 years, there have been some major changes in our industry, but some things never change, like the desire to produce better cattle, the will to win, the value of friendships, the importance of family and satisfied customers. We are fortunate that God has blessed us with a business we enjoy.

This offering is deeper in quality than any we have ever sold. As always, this sale represents our very best as well as many of our customers' best. It's not easy to make them this quality and it wouldn't be possible without customers that have our same goals and put in the work to make it happen.

We have been very fortunate with the number of champions our customers have had the past several years. 2019 has been a record year for our program and we aren't done yet!

This set of Maine females is impressive. Look at their pedigrees, many of them are three and four generations deep with females that sold in the Fall Premier. You can see for yourself BOE Epic is a game changer for our Maine program.

We are extremely proud of the Hereford females. In the opens there are females that can win on a National Level along with many top donor prospects. The breds and the pairs are easily the best we have offered and there are several top donors in this group. Our cow market in this sale has just been fair, so take an extra look and pay attention because there will be some good buys.

We don't have many females from other breeds, however, the Charolais and Angus heifers are really good, and they can certainly play with the big boys.

Our crew is a major key to the success of this program. These guys work hard and give it all every day to make it happen. Matt Scasta, Davey Young, Caleb Nixon, Seth Buckley, and Emmett Byrd we appreciate all you do. Not to mention, all the great guys that help at picture time and show days. We are also extremely blessed with show families and friends that make our team successful and we are proud you represent us.

Our program was built with customer service, it comes with every lot and when you buy here it is part of the deal. If we can assist you with preparing for shows, making breeding decisions, or marketing decisions don't hesitate to give us a call.

We will be hosting our annual Judging Contest again this year. Registration will begin on Saturday at 7:30 AM at our show barn. Please park in the sale barn parking lot. There will be 4H/FFA, Junior College, and Senior College Divisions. We won't be taking reasons it will be questions only, with the awards presented at the sale. We are very happy to welcome Anipro/Xtraformance Feeds as our judging contest sponsor this year! Please contact us if you have questions.

Thank you,
Jiri

All Buck cattle are fed MFM Feeds. Talk to us about their advantages.

We purchased Epic in the Denver Maine Sale in 2017. He was the Grand Champion Maine-Anjou Bull in Denver and Fort Worth in 2018. He was selected as the Maine-Anjou Show Bull of the Year in 2018, as well as the Champion of the World Maine-

Anjou bull. His first calf crop was born in 2018 and that's when we knew he was going to be a great breeding bull. In his first calf crop, three calves sold for over \$100,000 each and several in the \$20,000 to \$50,000 range.

The first Epic offspring hit the show ring in 2019. He sired the Grand Champion Maine Bull and the Grand Champion Maine Female in Denver; Grand Bull and Grand Champion Junior Female in Fort Worth; Reserve Grand Champion and Third Overall Champion Female at the Maine Junior Nationals, Grand Champion Maine and Reserve Supreme Champion Female at the Indiana State Fair, not to mention all the division champions and reserves.

Epic gave us a scare last Fall and stopped producing semen, when his semen became in short supply we decided to only market his semen in our online sales and special sales. He is truly a great breeding bull that will impact the Maine-Anjou breed for years to come.

GOET 180
BK XCEPTIONAL 001

All three champions and Lot 1 are bred by Morton Cattle Company.

- We are leading off this elite set of females with a jaw dropping Purebred Maine-Anjou rockstar. She is built from the ground up with integrity, depth of side, power, and stunning looks.
- Epic proved in his first calf crop he is a true breeding bull, his offspring were dominant in the show ring at every level of competition.
- Goose Bumps' dam is a young donor in the Morton operation and is quickly proving she has what it takes to produce the great ones. She is sired by 180, which needs no introduction, and her dam is BK Xceptional which is a proven producing female backed by Unlimited Power and Roxbury which produced countless champions, elite donors, and premier herd sires. The truly great females are always backed by proven cow families and this one is stacked.

- Lot 2 has her foot on the gas and she will be a hard one to get around. Her combination of power, body, structure, and steller looks will separate her from the rest.
- Her dam was one of the most winning heifers we have ever sold. MTF Cold Chills 501 won Denver as a calf and never let up, she was champion in Ft. Worth, Maine Jr Nationals, Louisville, and Res in Denver as a bred. She is now taking charge in the Donor pen at Moore Cattle Company.
- The pedigree of this premier female is stacked with proven producing donors and great herd sires. She will win and she will generate the revenue for years to come.

- Gee Whiz has been a standout since birth, she is extremely maternal in her makeup but she can strike a pose like a runway model. Her structure is flawless, with massive body, and has the power to make an elite donor.
- Her dam is a full sister to the many time champion MTF Cold Chills 501, they actually competed against each other and MTF Chill Out 502 was the one that everyone raved about and said she is going to make the great donor. They were exactly right, she's a producer and Gee Whiz is proof she can produce the great ones!
- Epic is working on a variety of pedigrees but he really clicks with the Unlimited Power and Xikes daughters. We have seen how the Epic offspring mature and we are more excited about him now than ever.

- Girl Power is just that! This female is 110% donor cow, she is unmatched in bone, hip, body, and shear power. Along with her extra mass she has an abundance of style, balance, and extension. She is going to be a blast to show but when she gets in production hold on to your hat! Things are going to get exciting!
- She is actually moderate framed, a replica of her dam, with even more body and rib shape. Her dam, BK Xtra Special 025, was a former Fall Premier Sale feature that was very successful in the show ring and has been steller in production. Bob Morton has not spared any expense when assembling their cowherd, he bought the best and they are reaping the rewards now in production.
- Great show prospect with an exciting future in the donor pen!!

- She is a full sister to DUP Feature 801 which was our \$120,000 top seller in the 2018 Fall Premier Sale. Special thanks to the Walker Family for making that purchase and congratulations to Whitney Walker for having a great year showing her as well. DUP Feature 801 and Whitney were selected Grand Maine-Anjou Female at the 2019 National Western and Reserve Grand Champion at the 2019 Maine Jr Nationals.
- CMCC YUM 105Y not only produced the great Walker heifer, she was Champion at NAILE and also produced Victoria Chapman's OYE Reserve Supreme Champion Female. This is a proven cow family that produces champions and generates revenue.

She is affectionately known as "Dottie" on the ranch. Bailey named her that when she was in the show barn. Dottie was successful in the show ring being named Grand Champion Horned Female at the 2013 JNHE and Grand Champion Horned Female in the Denver Junior Show in 2014. She has been phenomenal in production! She produced the 2019 JNHE Champion Horned Female, 2018 National Western Champion Horned Female, 2018 Fort Worth Champion Horned Female, 2017 National Western Junior Show Reserve Champion Polled Female, 2016 Tulsa State Fair Champion Female, and numerous division and reserve division champions. Her daughters are now in production and they are impressive, as you can see in this sale they are producers as well. We have several daughters and granddaughters selling. - We are excited about this young female. She is built incredible, attractive, smooth, square, deep, and sound.
- Her dam, Rachael, was the Supreme Champion Female at the 2014 Oklahoma Youth Expo for Victoria Chapman. Rachael is one of the favorite cows on the ranch.
- Victoria showed a full sister to this heifer last year and was extremely successful, winning her division at Denver and Junior Nationals.

- It's hard to pick a hole in this one. She is so well balanced, sure footed, with worlds of body and power.
- Her dam, Rachael, was a standout show heifer and when she went into production she became more impressive. Not only is she stunning to look at, her udder quality is equally amazing.
- The Valor offspring have been great for us, they win and they are making great cows.

- Her dam is a full sister to Valor and is a gorgeous female. She is sired by 4288 which also sired the National Western Reserve Champion Female in 2017.
- This female is wired a little tight but she actually handles good at the halter. She may not be the best one for a first time showman. She's really good and can play in the major leagues.
