We are so proud of Max, our 2020 National Western Stock Show feature bull from the Champion Pen of Bulls we exhibited in Denver. He was our lead off bull and he sure proved to everyone why. He's huge in his top, massive in his body shape and spring of rib, stands on a big foot and so incredibly sound. As soon as we got him home, he went to the bull stud and sure impressed everyone for being just a year old. He comes from a remarkable donor in the making of ours, J6 Tempest B300. She is the daughter of WEBR Card Shark 1015 and from the great SLGN Stony's Tempest 778T female. Max is not only wickedly impressive to the eye, he reads so true on paper. His carcass weight is in the top nine percent of the breed with a 33 and his rib eye area ranks in the top 13% with a 0.22. This one will be big time, so be sure to have him on your semen list when breeding season rolls around.

If you're looking for a front pasture bull, this beast of a bull certainly will be just that. This Maxed Out son is from our tremendous female, J6 Tempest B300.

He's not just a masterpiece to look at, he has the growth numbers to bring efficiency to your bottom line. This young herd sire prospect ranks in the elite eight percent of the breed for his weaning weight EPD and in the top 11% for yearling weight. He truly checks all of the important functionality boxes with a more than exceptional design and build and growth figures that will knock your socks off.

J6 Tempest B3000, dam of Lot 1.

This one is truly making his own mark with his growth numbers and legendary genetics. There's a reason he's been a favorite of anyone that gets their eyes on him. Just look at the amount of rib shape and depth of body this guy has. His weaning weight is in the top 22% of the breed and yearling weight in the top 25%. This bull's dam is Rojas Belly Dancer 5039, a female sired by the long deceased, Leachman King Rob, the maternal grandsire of the famed CT Cita 4060 female. He is the kind that you can build an entire group of females around that have the look and are packed full of longevity and growth.

A powerhouse of a herd sire prospect that deserves your attention with single digit rankings for his growth EPDs. This Maxed Out bull has profitability written all over and when you see him in person, you'll understand why. We've always loved his soggy build, the substance of bone he stands on and his commanding presence. In the elite single digit rankings are his weaning weight in the top five percent and his yearling weight in the top six percent of the breed. Another son of the tremendous Rojas Belly Dancer 5039 female. With splendid growth EPDs like these, he can take your herd to the top in a flash.

Now here is a bull that will add momentum to your program in a hurry. This Maxed Out son has such a balanced set of numbers, he's sure to impress even the most critical cattleman. Outstanding carcass merit, superior genetics and tremendous phenotypic qualities- it's all here, guys! This bull ranks in the top four percent with an REA of 0.36, YG in the top 21% with a 0.05 and his milk is in the top 26%. This guy's dam needs little introduction- Red Six Mile Ms Extra 514B is a daughter of the premier Red Six Mile Ms Extra 210T female. 514B produced a crowd favorite of our 2017 Mile High Sale, J6 Mr Omaha D646. This bull will be one we'll hear more from when his first progeny hit the ground.

J6 Mr Omaha D646, a maternal brother to Lot 4.

Hold the phone - this Cimarron bull will stop you in your tracks. He's crazy deep bodied, long and flexible in his stride and strong in his top. This bull is out of the great L83 Calamity Jane 6C, a daughter of Six Mile King Ranch 721W. Some of the industry's most distinguished genetics are right here in this young herd sire prospect. When you study this one on paper, you'll admire him even more. His ME is in the top three percent of the breed with a -9 and his CW in the top 14% with a 31. The fertility and longevity of his daughters will provide such a convenience to the progressive cattleman. With this kind of an EPD profile, just think of how far this guy can take your program year after year.

L83 Calamityjane 6G, dam of Lot 5.

This Jagger bull can hang with the best of them. Not only does he have the reputation of trusted and proven genetics, his number profile is something to pay attention to. His milk figure is a 25 that ranks in the top 34% of the breed and his carcass weight figure is a 27 that ranks in the top 24%. Another son of J6 Berry Advance E257. She is the great donor that continues to take everyone's breath away with her production ability. You'll want to hang onto a few of this guy's daughters because we're confident they'll be loaded with genetic potential and excellent numeric figures.

J6 Berry Advance E257, dam of Lot 13.

Now this is a bull that will get it done in terms of adding maternal value to a group of females. He's got a milk EPD that ranks in the elite top 10% of the breed with a 28 and his calving ease maternal is an 8 that ranks in the top 25%. We can't say enough good about this one's look. He's soggy in his lines, rugged in his build and reads with such completeness and longevity. A son of highly prolific donor, JKC Berry Advance 36W. He is in some elite company, just as his parents are and will continue to be for years to come. You are in the right place if you're in search of some of our most coveted genetics!

If you're in the market to improve your carcass tabulations, this bull will have you covered. A full sib to 109G- from the Taurus X Stony's Tempest mating and oh-so-impressive when he plants his feet. We could go on and on about this mating, but just read the names in this pedigree and you'll understand the value behind these two individuals. This bull's CW figure is a 32 that surfaces to the top 11% of the breed as well as his REA figure at 0.24. You can expect his offspring to be functional and full of profit potential.

D312, a full sister to Lot 16 & 17.

This is one fascinating Classified bull who is a full sib to 225G- the second of three chances to get your hands on such exclusive genetics. We can't say enough about this mating. To have Schillings R&L Classified and Gambles Lady 4079 all in one package, you simply can't go wrong. We love 224G for his smoothness of lines, depth of center body and his squareness of hip. He's a trustworthy decision for the future of your program, don't miss your three chances!

Whew- now this is a looker of a herd sire prospect! The third of the Schillings R&L Classified X Gambles Lady 4079 full sibs. J6 Classified 212G is so stylish, yet so powerful that he'll please just about any type of cattleman. We love his explosive center body, his length of spine and his unique front one third design. He's strong on the maternal side of things with a milk EPD that ranks in the top 25% of the breed with a 28.

Gambles Lady 4079, dam of Lot 32 & 33.

This is a wildly exciting moment for us with this bull. WLR Final Call is the 2020 National Limousin Grand Champion Bull and boy has he sure been a major crowd favorite! He is the 50% Lim-Flex Silveiras Style 9303 son from the great MAGS Phantoms Prize female. Phantoms Prize is the dam of the Triple Crown Winning bull, WLR MAGS Usual Suspect and the incredibly popular WLR Tainted Love female. Just like Style, Final Call will take the guesswork out of creating top-notch individuals and will inject winning genetics with such superb phenotype into his offspring. He is homozygous polled and heterozygous black.

Woah- now this is the type of bull that cattlemen wish they had several of covering their females. J6 Summit 262G ET is a 55% Lim-Flex son of the accomplished MAGS Summit who was the 2018 Champion Bull in the Hill Show at Denver. He combines MAGS Xyloid and LH Rodemaster genetics in the most splendid package possible. J6 Summit 262G is out of the super producing AUTO Dana 265D ET female that is out of MAGS Aviator and from the P Bar S donor, AUTO Ajay 206A. Talk about a highly prolific pedigree! Not only does this bull represent the highest caliber of genetics, but he's a sound, versatile breeding investment. If you desire cattle that grow, have a superior look to them and read with tremendous longevity, this guy is your ticket. He is homozygous black and his marbling EPD ranks in the top 30% of the breed with a 0.15.

Power and eye appeal are what this Cottage Lake Border Agent son is full of. J6 MJ Border Agent 265D is following so closely in his father's footsteps. He's built to last from the ground up, moves with such flexibility and he's attractive in his lines. Not only does this bull have the power on the top side of his pedigree he's out of the dignified EF A Mess 935A female. EF A Mess was the winning female for Austen Etherton and is out of two powerhouse individuals- MAGS Xyloid and DVFC Fergie. If you're looking to retain daughters out of a tremendous herd sire, this is the surefire way to do just that.

J6 Blockanna 185F - need we say more! This female is about as royally bred as they come around here. Where do we start with this gal's lineage other than her dam that she's already paralleling so closely. Ultra smooth, solid in her overall build and has the look to become a future donor in your program. Majestic Blockana Y31 is a daughter of 3 Aces Sideways. This female's weaning weight is in the top 19% and her yearling weight is in the top 29%. She is a daughter of the tried and true, WEBR Maxed Out 627 bull and we believe she has the opportunity to completely transform a program.

An elegantly designed female that will inject spectacular genetics, functional structure and great lines into her offspring. J6 Firefly 127F is a Six Mile & Co Jagger 780A daughter from the picturesque Majestic Firefly C31 female. Majestic Firefly is just cow power plain and simple and this daughter of hers is soft middle, stout structured and balances up so neatly from every angle. She has an impressive milk EPD at 27 that ranks in the top 18% of the breed. This one will be long remembered for her incredible design and superior genetics.

P.E. 04.25.19 to 08.01.19 to J6 Anchorman 11F; P.E. 05.28.19 to 08.01.19 to J6 Browning 217F and J6 Cornerstone 218F

This gal is built just like you'd want. J6 Mary Fay 243F is soft footed, long bodied and when she plants her feet, boy she impresses! Her CEM figure is a 9 that just so happens to surface to the elite nine percent of the breed rankings. She is from the Six Mile Game Face 164Y bull who is out of the legendary Six Mile Taurus 519A. We surely can't forget to mention her dam, even though you probably guessed already from her name, the great 4L Ms Mary Fay 002. Unique in her own elegant way and ready to impress you with her exciting potential.
