## TERMS

**GENETIC DEFECT DISCLAIMER:** All lots have been tested for the Standard Genetic Defects and are labeled as such. Updates will be available on sale day.

**TERMS:** All cattle in this sale sell under the sale terms as written by the American Shorthorn Association. Updates will be available on sale day.

**PAYMENT TERMS:** Terms of the sale are cash or check made payable to Aegerter Marketing Services, Inc., immediately following the sale and before the cattle are removed from the premises. Purchasers or their representatives must sign the bill of sale prior to leaving the sale.

**BILLED ACCOUNTS:** All billed accounts are due and expected within 10 days of the sale date. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter.

**LIABILITY:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller of a reasonable amount of time. Neither the owner, employees, auctioneer, sale manager or other affiliated personnel can be responsible of any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**BREEDING GUARANTEE:** We guarantee all livestock sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity for the show ring, we hold the feeder responsible for any reproductive problems and no longer feel responsible to guarantee that individual animal. In the rare case that this should occur, the Red Dirt Treasures Group will still try and help you through two breeding seasons.

**EMBRYOS:** The Red Dirt Treasures group will guarantee one pregnancy on each package of embryos selling if implanted by a certified technician.

**FLUSH RIGHTS:** The Red Dirt Treasures consignors reserve the right to one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. Flush to take place at the convenience of the buyer at a location of their choice.

Dear Shorthorn Friends,

It is with great pleasure I get to invite you to the Lazy Bar F and Double G Shorthorns and guests 'Red Dirt Treasures' Sale. The sale contributors have invested significant time and money to build programs that are on the cutting edge in the Shorthorn Breed and now it is time to offer the fruits of their labor in this event. We have a diverse offering of Bred Females, Cow/Calf Pairs, Show Heifer Prospects, Herd Bulls, Pregnancies, Embryos and Semen. There is literally something for everyone and you will be working with some of the best people in the business!

Not only will you get to evaluate great cattle, the hospitality will also be the best highlighted by a Ribeye Steak Lunch prior to the sale. Please take time to be with us on April 18th to see this offering and share some great Shorthorn fellowship. You will not be disappointed.

As always, please contact us if we can be of assistance.

Sincerely,

Jeff K. Aegerter

We really intended to keep this heifer, but after we clipped her up, we knew we had to offer her in the RDT Sale. She is probably the widest topped heifer in the offering and also offers a big foot, sprung rib cage, and soggy belly. She is sired by a bull that is really proving his worth. This is his first calf crop and he is working extremely well on our cows. He is sired by Bearcat, who needs no introduction and his dam, J-Art Duchess Lyn, racked up many banners, including Reserve Champion Shorthorn at OYE for Garett Hudgins.

If you want to know the whole story about the Lavender cow family, you will have to ask our dear friend Jerry Arthur. Lavender cows from the Collier Shorthorn herd (1940s-1950s Fletcher, Ok) have stood the test of time and in 2015 Jerry set off on a cross country road trip to find the very best Lavender cow originating from that famed herd. The dam of this heifer is the fruit of his labor. He later let us share in her ownership and this heifer is the result of that Lavender destiny. We are extremely excited to offer this heifer, she has been a favorite since day one and has a superb disposition for any showperson.

# COVID-19

With all the concerns of COVID-19, we have had some questions regarding the Red Dirt Treasures Sale, particularly the gathering of a large number of people and the possibility that either a mandate will be issued or recommendation remains in place at the time of the sale to limit the number of people in any gathering.

At this time, we are proceeding as planned with the sale. We will update if any decision is made to alter the format or reschedule the sale via Facebook and our web pages. The Facebook page is Red Dirt Treasures.

The web pages are [www.lazybar-f.com](http://www.lazybar-f.com) and [www.doublgshorthorns.com](http://www.doublgshorthorns.com). Please check for updates as needed.

THE, PHAF, DSC

The Lakota Rose cows are true brood cows. This heifer will be no different, she is a modern type heifer with some moderation and easy fleshing ability. Ash Valley Right Choice calves come easy and are highly marketable. They have been some of the top sellers for Norman/ Ripberger fall sales.

Owned by Lazy Bar F Shorthorns

THE, PHAF, DSC

Unique, fun pedigree that combines some of the breed's best cow maker sires. This heifer will inject calving ease, style, and a pretty front end in her offspring.

Owned by Lazy Bar F Shorthorns

THE, PHAF, DSF

Stunning blue roan heifer that's going to make a great cow. She's deep bodied, easy fleshing, and hairy in a colorful package. She's going to be fun to breed for years to come. She's from one of our original and most productive cow families. They breed right back, make great mommas, have good udders, and maintain well on pasture.

**Then P.E. to Little Cedar Final 4.**

Not much of an introduction needed here. A full sibling to countless champions and breed greats whom paved the way for the shorthorn plus. We love this bred heifers length and extension. This should always be a maternal productive female. She will mate incredibly to Empower.

THE PHAF DSF

We have loved our Simplify calves, just check out the Augusta Pride plus heifer in this offering. They have all been born unassisted, but are high quality. Trixie Rose will be a productive cow and a great momma. She will add a little frame, so she's a perfect match for bulls that are a little clubby.

wide top, great hair, and clean front. We were excited to offer him in the OYE steer futurity, but when that event was cancelled, we decided to offer him here. We're excited about the extra month of growth that will offer this exciting prospect. He will also qualify for the purebred steer show that Steven Crow and the OSA ate organizing.
