EYES ON THE Midwest SALE

Saturday, September 19th

View Cattle and Cookout
provided by the consignors

Sunday, September 20th

Complimentary pre-sale Lunch

1:00 pm **Eyes on the Midwest Sale**

Welcome ...

It is a pleasure to invite you to our 6th Annual Eyes on the Midwest Sale. We are truly excited about this year's sale offering. We have our best set of Shorthorns ever to be assembled here and are pleased to offer an amazing set of Angus genetics this year from Norman/ Gladewater partnership. The cattle available in this sale are the result of the production of some of the top Shorthorn and Angus genetics available anywhere.

We will be offering a top notch set of show heifers that are the kind that will feed and show well for you, but more importantly they are bred to develop into cows that will be productive and profitable for you.

Our bred heifers and cows again represent the top cow families in the Shorthorn and Angus Breeds and are mated to powerful herd sires that will ensure quality production.

I want to say a big Thank You to our customers that have purchased our cattle in the past and for their commitment to ensuring the success of our programs. Our goal is for you to be successful and we enjoy seeing your success with our genetics.

I would like to thank the Norman's, Bollum's, Meyer's, and James Boose for all the extra effort in making this sale the success it has been and will continue to be in the future. It truly takes a tremendous team effort to pull off this Annual Sale and I really appreciate their friendship.

As always, you are always welcome to stop by and view the cattle prior to the sale. Be sure to join us Saturday evening for some good food and fellowship. We sincerely appreciate your interest and hope you can be with us on Sunday, September 20th.

SALE LOCATION

GPS Address: 2620 E. C.R. 925N, Newman, IL 61942

The Albin sale facility is located in Newman, IL. Route 36 goes through the South side of Newman (a small town). From Route 36 at Newman take CR 2575E South 1/4 mile to 925N, then go 1/2 mile east. Sale facility on North side of road.

GENERAL SALE TERMS

Breeding Guarantee: All cattle sell under the Standard Breeding Guarantee recommended by the American Shorthorn Association. An exception would be through mishandling either obesity or under nourishment and illegal practices associated with showing the female.

Air Travel: There are commercial flights to Indianapolis, Indiana and limited flights to Champaign, Illinois. There are private paved strips at Paris and Tuscola, Illinois.

Embryos: Eyes on the Midwest consignors will guarantee one pregnancy on each package of embryos selling if implanted by a certified technician.

Flushes & DNA: Eyes on the Midwest consignors reserve one flush of eight or more grade one or two embryos at our expense on all cows and breds selling. Eyes on the Midwest consignors also retains at our expense the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale.

Terms: The terms of the sale are cash or check payable to Aegerter Marketing Services, Inc. Payment to be made to the clerk immediately following the sale and before the cattle are removed from the sale facility. Purchasers or their representative must sign the bill of sale prior to leaving the sale site.

Insurance will be available at the settlement desk.

Health: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date and cattle have been vaccinated.

Registration And Transfer: All animals sell with completed pedigrees or applications for registration.

Announcements made sale day will take precedence over printed material in this catalog.

Liability: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

Mail Bids: Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of Aegerter Marketing Services, Inc., a special representative, a sale consultant or a member of the sale consultants far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Breeding Update/Calving Information: There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Norman/ Ripberger will retain 1/3 embryo interest in all 2020 born heifers to sell.

LOT 1

Quantum Queen 434H, Quantum Queen 423H and Quantum Queen 470H (Lots 1 2 & 3) are full sisters to NR Quantum Queen 470F, the 2019 NAILE Reserve Champion Shorthorn Heifer in the Junior show and Division Champion in the open show for Xavier Ferris. In addition, she was the Champion Heifer in the 2019 Indiana State Fair Junior Show and Champion Shorthorn Heifer at the Kentucky State Fair and won her class at the Shorthorn Junior Nationals in 2019.

CF Quantum Queen 099 (2Q) continues to prove herself, as in prior years, as our top donor producing the top selling heifer in each of our prior sales and Lots 1, 2, 3 and 4 in this sale. As 2Q is no longer with us, this will be your last chance to purchase one of her offspring to excel you to the top in the show ring and donor pool.

Lots 1, 2 and 3 are sired by our herd bull, SULL Red Sensation 6554D. Red Sensation is sired by Red Reward and out of the top Sullivan donor, SULL Rose Mary 636. Eleven of the open Shorthorn heifers selling in this sale are his daughters. He is proving himself to be a top Shorthorn sire and is being used in several Shorthorn programs.

If you are serious about showing heifers, especially Shorthorn, you better come to the farm and see these heifers for yourself and be in the stands or online September 20th.

LOT 2 ... We've had success with one marked similar to this one in the past and this heifer is no slouch. If her build doesn't excite you, then her added power and look sure will. Whether you want to be competitive early or late here's one that can do both.

LOT 3 ... This dark, cherry red heifer is one that's easy to tie to. Really maternal about her head and neck, deep and soft center body with plenty of foot and bone. She'll be one that's worth having. Real cow power here after her successful show career.

Did someone say show heifer? This red and white heifer is incredible from a build perspective. Her lower joints are awesome and her angles all read right. She's really neat fronted and comes with plenty of body. She's the kind that will get better every day, so make sure she's in your barn when Junior Nationals comes around.

Quantum Queen 500H is a maternal sister to NR Quantum Queen 470F, the 2019 NAILE Reserve Champion Shorthorn Heifer in the Junior show and Division Champion in the open show for Xavier Ferris. In addition, she was the Champion Heifer in the 2019 Indiana State Fair Junior Show and Champion Shorthorn Heifer at the Kentucky State Fair and won her class at the Shorthorn Junior Nationals in 2019.

A full sister to Quantum Queen 500H, Quantum Queen 501G, was shown successfully by Katie Fry this summer. She has turned out to be a tremendous big bodied heifer that is going to make Katie a great donor to add to her program. I can't wait to see this heifer's first calf out of Red Sensation next spring. Good Luck Katie, lets hope you get your next show heifer.

CF Quantum Queen 099 (2Q) continues to prove herself, as in prior years. as our top donor producing the top selling heifer in each of our prior sales and Lots 1, 2, 3 and 4 in this sale. As 2Q is no longer with us, this will be your last chance to purchase one of her offspring to excel you to the top in the show ring.

Quantum Queen 500H is sired by Hot Commodity. There have been a lot of Hot Commodity National Champions but none more pretty fronted. He sure worked here.

This red and white heifer is hard to put a hole in. Real maternal fronted, brood cow power but with the extra look and appeal needed to keep you competitive in the show ring. If you like the fault free kind, here she is.

When I first got into the Shorthorn business there was a bull called Rodeo Drive that I thought sired some awfully good cows. Regardless of what herd you went to those cows out of Rodeo Drive always stood out. You don't find too many of those daughters today so we made one. NR Lora 711H is out of a Rodeo Drive Daughter going back to the Duis Lora cow family. This is her first calf and it just goes to show a good thing continues.

Sired by our herd bull, SULL Red Sensation 6554D. Red Sensation is sired by Red Reward and out of the top Sullivan donor, SULL Rose Mary 636. Eleven of the open Shorthorn heifers selling in this sale are his daughters. He is proving himself to be a top Shorthorn sire and is being used in several Shorthorn programs.

Like them cowy? At the end of the day these heifers have a job to do beyond the show ring and after a successful job of doing that, this star headed heifer will easily be a front pasture kind of cow. Genuine power, bold bodied and good footed.

We purchased SULL Myrtle Bo 9154, the dam of NR Myrtle Bo 504H, in Schrag's 2018 sale. Of course the first bull we flushed her to was Red Sensation. Good Choice. This has to be one of the best producing Myrtle Bo's in the country. She never misses.

Sired by our herd bull, SULL Red Sensation 6554D. Red Sensation is sired by Red Reward and out of the top Sullivan donor, SULL Rose Mary 636. Eleven of the open Shorthorn heifers selling in this sale are his daughters. He is proving himself to be a top Shorthorn sire and is being used in several Shorthorn programs. He sure worked here.

OWNED BY NORMAN/ RIPBERGER

Check out the extension this heifer offers. Extra cool fronted, long bodied and big footed. The mold is there she just needs an eager showman that's ready to compete at the highest level.

Another heifer out of SULL Myrtle Bo 9154. This has to be one of the best producing Myrtle Bo's in the country. No matter what bull you use she never misses.

NR Myrtle Bo 459H is sired by SULL Red Knight, three time National Champion and sire of National Champions for Sullivan and other programs. Red Knight is a breed changer.

This heifer is greener in her condition but study her from the ground up and she's good footed, right in her angles and level topped. Get the feed scoop ready and let her have it, she'll mature into a competitive bred female.

The dam of NR Mazie 83H goes back to our donor, KOLT-H Mazie 083, a granddaughter of the famous SS Augusta Pride 3127 and Sonny.

Sired by our herd bull, SULL Red Sensation 6554D. Red Sensation is sired by Red Reward and out of the top Sullivan donor, SULL Rose Mary 636. Eleven of the open Shorthorn heifers selling in this sale are his daughters. He is proving himself to be a top Shorthorn sire and is being used in several Shorthorn programs.

On behalf the American Angus Hall of Fame it is a pleasure to work with everyone involved in the Eyes on the Midwest Sale. Fred Ripberger and Greg Norman along with all the breeders have put together a great line of genetics for the buying public to select from. They have dug into the heart of their programs and have put their best foot forward on this outstanding sale offering. As you flip through the catalog you will find an array of great Shorthorn and Angus genetics for any program. The concentration is great heifer calves that can compete at all levels and make an impact on all levels of competition. These breeders are committed to the juniors in all breeds and would love the opportunity to work with you on their next projects. The Angus division is particularly deep with a great set of show heifers, bred heifers, and fall calving females. They are backed by great cow families and have the pedigrees to not only make great show heifers but more important great cows for any program.

If you have any questions please feel free to contact the breeders or the American Angus Hall of Fame at 816/532-0811

Bred to calve in October 2020 to Champion Hill Classified 6969. Examined Safe.

A special sale attraction is this Barbara female from one of the great families in our industry, DDA Barbara's. The Double Diamond Barbaras stem back to the foundation cow, WCC Barbara H293 who was purchased by the Anderson family of Illinois from the Wilson Cattle Co in Indiana. The dam is from one of the very best flushes from the Barbara family and has produced champions at the North American, National Western and the NJAS.
