The Candi donor was one we knew we needed the moment we saw as a calf in Denver. She was later named Reserve Champion Female as a calf and the winning didn't stop there. She later went on to win the National Junior Hereford Expo Summer. She has probably outdone herself in the pasture for all of her owners. 014H is our only Polled heifer this year and I think she can hold her own. Powerfully constructed, big bodied, and cool looking all in one package.
