Dear Limousin Enthusiasts,

It is with much excitement and anticipation that MC Marketing and all of us at R&R Marketing Company welcome you to The Night on the Town Sale "Limousin and Lim-Flex Edition". As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this breed of cattle and wanted to create a sale that celebrated everything that is good about the business ... the people and the product! When Kiley and myself started this venture three years ago, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more than ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing the

Limousin product the way that it should be!

Thanks in advance,

Randall O. Ratliff

R&R Marketing Company

Dear Limousin Friends,

In the time I have spent assisting Limousin producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the breed could and should be proud of. The goal of Randy and myself in creating "A Night On The Town" was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has all the makings of a "can't miss" event for years to come. As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite." From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are "the best of the best." It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Fort Worth, Texas!

Sincerely,

Kiley J. McKinna

WILDER FAMILY LIMOUSIN

Since 1912, the Wilder family has been farming and ranching in Snook, Texas, just outside of Bryan/College Station. Until 1982, the Wilder family primarily relied on farming as the dominant business. Fourth generation partner, Jay Wilder, expanded the horizon of the family farm by showing and investing in Limousin cattle. Wilder Family Limousin runs approximately 100 head of purebred and Lim-Flex Cattle. They also run a large commercial cow operation in conjunction with the registered cattle. In the farming operation they grow cotton, grain sorghum, wheat and soybeans. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers. Jay, the fourth generation partner in the operation today, is a 1993 graduate of Texas A&M University. In 1994, he and Molly married. In 1996, the fifth generation, Jayce, and twin brother, Spencer, were born. Molly is a 1993 graduate of Texas A&M as well. Currently she teaches 2nd grade for Bryan ISD. When she retires she will become more hands on with the day-to-day operations. Throughout Jayce and Spencer's show career they have been very successful. They have shown on the local (Brazos Co.), state (Fort Worth, San Antonio, Houston and Texas Limousin Field Day) and national levels (National Western and National Junior Limousin Shows & Congress). The brothers graduated from Texas A&M University and returned home to the farm and ranch. Jay has been active with the Texas Limousin Association, serving on the board of directors for many years, including a term as the organization's president.

A Night ON THE TOWN Sale III

On behalf of each and every consignor we appreciate your interest in the offering assembled for the "A Night on the Town Sale III." Limousin and Lim-Flex Edition.

We are more than excited to have followed the National Finals Rodeo's decision to come to Texas. We wanted to celebrate all things "cool" and bring this spectacular event to Fort Worth in the historic Cowtown area. We couldn't think of more fitting place for seedstock producers and cattle ranches to come together prior to their NFR experience.

The goal of this sale was to assemble a truly unique set of elite Limousin and Lim-Flex genetics from leading producers across the continent. The overwhelming response received by both consignors and potential buyers has been tremendous. We would like to congratulate everyone involved in this sale for working as a team to make this a sale one we can celebrate the best the breed has to offer. We are proud to present this offering to you and feel this sale has all the makings of a "can't miss" event for years to come. As you study this sale book, it will become evident that breeder's dug deep into their genetic arsenals to offer seedstock that are truly worthy of such a prestigious event—the unique lots presented here are "the best of the best." Please contact any member of the marketing team with any questions you may have. We hope to see you in "Cowtown."

LOT 1B - Retaining the right to one flush at buyer's connivence and seller's expense.

The presence of these two individuals that make up this phenomenal mating are indisputable. The monumental value they bring to this heifer pregnancy is extensive. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. Style's progeny have claimed more champion titles over a nine year period than any other bull out there. He is a son of Gambles Hot Rod and the great Silveiras Elba 2520 female. The donor female in this mating is the one and only Riverstone Charmed. She is the undefeated national champion show heifer known as "Larissa." She is sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. There are many cattlemen in line for these unsurpassable genetics and we are honored to have Linhart Limousin consigning this Silveiras Style x Riverstone Charmed 50C heifer pregnancy. This heifer pregnancy will be 47.5% Lim-Flex and homozygous black.

The opportunity to add distinguished genetics such as Riverstone Charmed 50C doesn't happen very often, but when it does- you better be prepared to have your bid ready! This heifer pregnancy will be out of CJSL Dauntless and Riverstone Charmed 50C. CJSL Dauntless combines two of the best individuals in the Limousin breed- he is a son of MAGS Zodiac and LLJB Absolute Style 3056A. His dam, LLJB Absolute Style 3056A is the elite show heifer of Shelby Hennessy's from 2014. She was the high-selling lot in the 2013 Linhart Limousin Fall Harvest Sale. Absolute Style is a daughter of the great Silveiras Style 9303 and out of the impressive donor, MAGS Wassail. CJSL Dauntless has the performance, balance and major style to create offspring with a dominating force wherever they land. Even the most discerning eye falls in complete love with Riverstone Charmed 50C and her offspring. This is a mating of the highest caliber that we are more than pleased to offer you from the heart of the Linhart Limousin breeding program! This heifer pregnancy will be 75.5% Lim-Flex and homozygous black.

We don't have enough space to list all of the successful sons and daughters of Rivestone Charmed.

Riverstone Charmed 50C, a full sib to Lot 2 heifer pregnancy

This Riverstone Charmed female is a full sister to the iconic "Larissa" Riverstone Charmed 50C. Riverstone Charmed 50C is known as "The Ratliff" heifer that took every single show ring by storm. Together Madison Ratliff of Westphalia, KS and "Larissa" most notably took the highly coveted North American International Livestock Exposition Supreme Champion Female honors in 2016. This female is a daughter of TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. Durham Wheat is the DHVO Deuce 132R son out of the MAGS Strawberry Pie female. HSF Your Fantasy needs absolutely no introduction because she is one of the Limousin breed's most prolific donor females. She is out of a Carrousel Nasdaq female, HSF Tinkerbell and she is sired by MAGS War Admiral. She is 95% Limousin and homozygous black and heterozygous polled. Her milk figure of 25 ranks in the top 25% of the breed. You will not want to miss this tremendous opportunity to add the most elite genetics in the industry today to your program! We are more than thrilled at another amazing genetic opportunity.

SSTO Maximilian 734E

PROVEN DONOR

Sells open and ready for immediate reproduction

SSTO Maximilian 734E is a proven donor female and daughter of the great Riverstone Charmed 50C, "Larissa" female. Her dam took the entire industry by storm in 2016 and has become known as the Limousin breed's greatest show heifer in the history of all show females. SSTO Maximilian 734E is a phenomenally impressive daughter of MAGS Aviator. MAGS Aviator is the MAGS Winston x MAGS Xtra Rest son that has nearly 1,000 recorded progeny with the North American Limousin Foundation. His progeny, just like this daughter of his, display phenotypic superiority with eye appeal to blow the minds of anyone. This female is double homozygous and 79% Limousin and she sells open and ready for immediate reproduction. She is a blend of superior genetics that are proven, predictable and more than powerful in the cattle industry today. The list of accomplishments on both sides of this female's pedigree is difficult to list in its entirety, but we know you'll understand the immense worth in this female consigned by Sullivan Farms of Dunlap, IA.

Riverstone Charmed 50C, "Larissa" is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation and far beyond. On top of her more than impressive show career for Ratliff's Cherry Creek Farms of Westphalia, KS, she produced \$137,500 in her first five offspring to sell that averaged \$27,500. Her very first set of offspring included "Ratliff Majority Rules ET," the \$75,000 half interest bull calf and a \$40,000 daughter sired by MAGS Aviator, SSTO Maximilian 743E ET. We could take up pages to encompass the major influence Riverstone Charmed 50C has had, but we'll save that for another time. Her full sibling, Riverstone Lucky Charm 50F is the donor in this highly-anticipated mating. Riverstone Lucky Charm 50F, just like "Larissa" is a daughter of the great DHVO Deuce son, TMCK Durham Wheat 6030X. FWLY Can Do is the exciting young bull produced in the Fawley Farms program. He was the 2018 American Royal Champion Limousin bull out of RLBH Air Force One and the great CLLL Crystal 334W female. Their dam is the esteemed HSF Your Fantasy female. KLS Farms of Chatham, LA is offering these two lots of IVF heifer embryos that will be 81.5% purebred, double polled and double black. These embryos will be a hot commodity in this lineup and it's up to you to buy into this rare opportunity!

PBRS Bunk House 48B, Lot 5 sire.

SNOOK, TX

Retaining 25% semen interest.

A noteworthy opportunity to purchase a sexed bull pregnancy out of the phenomenal Riverstone Charmed 50C and PBRS Bunkhouse. You've seen "Larissa" throughout this elite offering of genetics, but you haven't seen an opportunity quite like this! PBRS Bunkhouse is a powerful son of MAGS Yip and a flushmate to current herd sire at P Bar S Ranch, PBRS Brewed Cold 441B. Bunkhouse posted a 205-day weight of 817lbs. and a yearling weight of 1261lbs. Everyone nationwide knows the incredible influence "Larissa" has and will continue to have in the Limousin breed and beyond. This is a rare opportunity and one that you'll want to have on your radar. PBRS Bunkhouse is wildly acclaimed and now deceased, but the time is now to add this future bull calf to your program! Once again, we are more than excited to have this consignment from the Wilder Family Limousin program.

The prominence of pedigree and genetic worth in this mating is astonishing. Linhart Limousin is offering three conventional embryos to the powerful MAGS Federal Reserve bull and WFL Giggles ET. MAGS Federal Reserve 1014F is a double homozygous son of MAGS Cable. He was the high-selling bull in the 2019 Magness Land & Cattle Western Slope Bull Sale. The exciting donor in this mating is WFL Giggles ET, a daughter of the famed Riverstone Charmed 50C female. She is a daughter of Colburn Primo, the show heifer-maker extraordinaire. The genetics present in this offering are taking the world by storm remaining undefeated across the nation. Now is your chance to continue the streak of total domination with these three conventional embryos and introduce genetics of phenomenal worth to your program! These three conventional embryos will be homozygous black and 50% Lim-Flex.

CHOICE of SEXED HEIFER PREGNANCIES

This pick of heifer pregnancies to the great WLR Eden ET female is an extraordinary chance to add proven, first-class genetics to your program. She was the 2019 NWSS Grand Champion Lim-Flex Female Junior Show and 2018 Reserve Grand Champion Lim-Flex female Junior and Open Show. Davis Limousin of Brownwood, TX has consigned the pick of three heifer pregnancies out of WLR Eden ET and three remarkable sires. WLR Eden ET is the Silveiras Style 9303 daughter that is quite possibly one of the very best cows in the breed today. She is out of the renowned MAGS Phantoms Prize donor female. The potential is truly endless with these heifer pregnancies.

LOT 8A - RLBH Air Force One is continuing to influence some of the greatest individuals in the breed and entire industry today. He is the EF Xcessive Force x EF Yaffa 821Y son that has recorded over 300 registered calves to date. His storied show career began in 2013 where he was part of the 2013 National Junior Show Champion Lim-Flex Cow-Calf Pair. He went on to obtain numerous titles- he was the 2013 NAILE Grand Champion Lim-Flex Bull, the 2014 NWSS Grand Champion Lim-Flex Bull, the 2014 SESC Grand Champion Bull, the 2014 AALF Grand Champion Bull, the 2014 NAILE Grand Champion Bull and the 2015 National Limousin Sale Top-Selling Lot. He was also the 2014 and 2015 National MOE Gold Medal Bull. The hype is real and at an all-time high with this heifer pregnancy- combine WLR Eden ET and RLBH Air Force One and we believe this future heifer calf will become a major force to be reckoned with. This heifer pregnancy will be 56% Lim-Flex, homozygous black and double polled.

LOT 8B - DHVO Deuce 132R is a national champion bull that has created a phenomenal history already, but we'll highlight some of his most notable accomplishments that are continuing to impact the most elite programs in the industry today. A son of the great GPFF Blaque Rulon and out of a powerful female, Amy Jo Dhan 20L. The notoriety present in the storied pedigree behind DHVO Deuce 132R is astonishing. He is still proving to excel in every facet of the Limousin breed and beyond. He has sired countless champions, sale-topping individuals and breed icons. This heifer pregnancy hits it completely out of the park for time-trusted, elite genetic worth. The potential is all here, folks! This heifer pregnancy will be 75% Lim-Flex, homozygous black and double polled.

LOT 8C - Folks, you've seen his astounding influence all over the nation and with this heifer pregnancy out of the great WLR Eden ET- history will write itself. TASF Crown Royal 960C is the powerful son of DHVO Deuce 132R and the beautiful TASF Whiskey Lullaby 357W female. He too has sired numerous champions, top-dollar progeny and individuals on their way to becoming breed icons. The 2018 NAILE Grand Champion Limousin female show by Kinnick Paulsen and raised by Thomas & Son Farms was a tremendous daughter of TASF Crown Royal 960C. You'll want to pay special attention to this heifer pregnancy- it's one you're sure to be reading about in the near future! This heifer pregnancy will be 75% Lim-Flex and double homozygous.

PICK OF 8 ET CALVES

LLJB Absolute Style, donor dam of Lot 9 Pick.

BOHI Red Robin, donor dam of Lot 9 Pick.

AUTO Ajay, donor dam of Lot 9 Pick.

PICK of 8 ET CALVES

Featuring three of the breed's most prominent cow families!

The Wilder Family Limousin program of Snook, TX has consigned one heck of a genetic opportunity in this pick of eight embryo transfer calves from three of the breed's most respected and time-honored cow families. LLJB Absolute Style 3056A is the Silveiras Style daughter that Shelby Hennessy campaigned and most notably took the 2014 North American International Livestock Exposition Grand Champion Limousin Female title. From that moment, Absolute Style has been generating top-dollar progeny. Most recently, three daughters of Absolute Style were the three top-selling spots of \$31,000, \$15,000 and \$13,000 in the 2020 Linhart Limousin "Fall Harvest" Annual Production Sale. AUTO Ajay 206A is a daughter of SAV Brave and from the famed MAGS Manuela 662M female. There are so many of AUTO Ajay's powerful offspring in production today, it'd take an entire catalog to list them all. BOHI Red Robin 828R is a Connealy Lead On daughter from the legendary MAGS Manuela. Connealy Lead On was the

second-highest selling bull in 2004 behind Connealy Onward. MAGS Manuela has produced some of the breed's best individuals and her influence is still present today and right here in both AUTO Ajay's pedigree and BOHI Red Robin's. Manuela is arguably one of the best females in the history of the Limousin breed, so don't miss this opportunity! The five sires that will be used in this pick of eight embryo transfer calves are none other than MAGS Cable, MAGS Firestone, SSTO Best Bet, CJSJ Creed and L7 Calvados. Folks- it doesn't get any better than this!

All ET calves will be born January/ February 2021.

MAGS Cable, sire of Lot 9 Pick.

Contact any of the owners or sales staff to purchase your semen package.

SEMEN PACKAGES - 20 units for \$1,500. Semen will be off the open market for one year. This semen syndication comes from the great Tubmill Creek and Coleman Limousin Ranch operations. COLE Genesis was the top-selling lot in the Coleman Limousin Ranch 42nd Annual Bull Sale where he was appraised for a staggering \$80,000 valuation and was a member of the 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is the homozygous polled, purebred son of HUNT Credentials 37C and out of COLE Miss X-Rated 354A. When a bull of this caliber is able to not only look the part, but have a number profile that is this powerful, you take serious note. He has many chart-topping figures but, one worth special notation, is his marbling number which ranks among the very best in the purebred population. His birth to yearling spread is remarkable, coupled with a top 2% milk figure all but, assures the added value he projects to add to any progressive breeding program. This is a rare opportunity to invest in a young sire that has cattlemen from across the nation in a frenzy!

She is the double homozygous daughter of the great SAV Hesston 2217 bull and the AHCC Xhibit This X045 female. SAV Hesston is a lead sire in numerous programs and his progeny continue to demand top dollar through any sale platform. AHCC Xhibit This is a daughter of KAJO Responder 120R. This female is a 50% Lim-Flex donor that will take your operation to the very top. She has one heck of a set of numbers backing her already prolific pedigree. Her marbling figure of 0.46 ranks in the top 5% of the breed, her yearling weight figure of 117 ranks in the top 15% and her weaning weight figure of 73 ranks in the top 20% of the breed. This female ranks right at the top of the list for predictability and profound success. She is the dam of MAGS Federal Reserve- an exciting young bull that has such a presence in this elite lineup of genetics.

Lot 16 ~ JBFI Grace 503G

RLBH Days of Thunder ET, Lot 16 sire.

JONES BROS. FARMS INC.

NOB NOSTER, MO

Will calve by sale to AHCC Dakota Thunder 215G

JBFI Grace 503G is a daughter of RLBH Days of Thunder ET and out of the great PBRS 773E female. RLBH Days of Thunder is the leading sire in the P Bar S Ranch program and for great reason. He is sired by the great EF Xcessive Force and his dam is EF Yaffa 821Y, an EXLR New Generation 071M daughter. RLBH Days of Thunder's full sibling, RLBH Air Force One, is the Limousin breed's most popular AI sire. RLBH Air Force One has sired more champions at recent National Junior Heifer Shows than any other sire. JBFI Grace 503G's dam is PBRS 773E, a daughter of the now deceased and highly syndicated sire, Cottage Lake Border Agent. This female will calve by sale day to AHCC Dakota Thunder 215G. The genetics that make up this female's pedigree are highly sought after and more than reputable. We are pleased to have this bred female as part of this elite set of genetics consigned by Jones Brothers of La Monte, MO.

AUTO Poem 273Y, dam of Lot 26.

When Edwards Land & Cattle Co. told us their plan to consign these embryos to this sale offering- we almost didn't believe them! These four conventional embryos will be from the highly prolific mating of TASF Crown Royal 960C and AUTO Poem 273Y. TASF Crown Royal 960C is the DHVO Deuce son that is one of the most popular Limousin bulls in the breed. His dam is TASF Whiskey Lullaby 357W, a leading donor in the Thomas & Son Farms lineup. She is a daughter of EXLR Nasdaq 380R. AUTO Poem 273Y is the incredibly powerful donor of Edwards Land & Cattle Co. She is a daughter of SAV Bismarck 5682 and from the great MAGS Phantoms Prize donor. AUTO Poem 273Y is the dam of the 2016 All American Limousin Futurity Supreme Champion Bull, ELCX Bulletproof and ELCX Cabin Fever 273C, the 2017 All American Limousin Futurity Grand Champion Bull. The four embryos in this consignment will be 75% Lim-Flex, homozygous polled and double black. Once again, we are thrilled to have these embryos consigned by Edwards Land & Cattle Co. of Beulaville, NC.

EBFL San Jose 170X, dam of Lot 27.

TMCK Durham Wheat, sire of Lot 27.

These four conventional embryos represent the finest mating ever created at Edwards Land & Cattle Co. of Beulaville, NC. TMCK Durham Wheat has a phenomenal history in his storybook already, but we'll refresh your memory because it's so valuable! TMCK Durham Wheat is the sire behind the great Riverstone Charmed "Ratliff Heifer" and Riverstone Crown Royal. He is a son of DHVO Deuce and out of the MAGS Strawberry Pie female. TMCK Durham Wheat is known as the 'show heifer maker' and has quickly become one of the most sought after sires in the industry today. He has made his mark in the Limousin breed and far beyond. The donor female in this mating is EBFL San Jose 170X. She is an SAV Pioneer 7301 daughter out of a GAR Predestined female, TMCK San Jose 170U. She is the huge-numbered female that we believe will produce excellent offspring desired by any cattleman. These four embryos will be 62.5% Lim-Flex, homozygous black and double polled.

LIMOUSIN & LIM-FLEX EDITION

CFLX Robinette 070E, Lot 28A & 28B donor.

Folks, this is a genetic opportunity that you'll want to pay special attention to. FWLY Can Do is the 2018 American Royal Champion Limousin Bull that came from the great program at Fawley Farms. He is a son of RLBH Air Force One and out of the powerful CLLL Crystal 334W female. The dam of these embryos needs little introduction- you'll see her influence in numerous pedigrees and breeding programs across the country. CFLX Robinette 070E is a daughter of the famed BOHI Red Robin 282R female and out of GPFF Blaque Rulon. The influence of FWLY Can Do and CFLX Robinette 070E is remarkable and will have endless potential. These four embryos will be 71.5% Lim-Flex, homozygous black and double polled. A blending of this caliber is hard to come by and isn't offered to the public very often.

Another exciting offering with the influence of the great FWLY Can Do bull and CFLX Bacardi 079E. FWLY Can Do is the 2018 American Royal Champion Limousin Bull that came from the successful Fawley Farms program. FWLY Can Do is a son of RLBH Air Force One and out of the CLLL Crystal 334W female. CFLX Bacardi 079E is a daughter of EF Xcessive Force and out of the PSRF Zaida 238 female. EF Xcessive Force is a proven banner-producing sire and one of the greatest sires still in the Limousin breed today. PSRF Zaida 238 is a daughter of Coleman Production 608 and goes back to Traveler 004 on the top side of her pedigree. Folks, this is sheer cow power through and through. The future owner of these embryos is forecasted to have a rapid return on investment when these calves are born. They will be homozygous black, double polled and 59% Lim-Flex. We are excited to have the Jones Brothers of La Monte, MO offering these two lots of embryos.

CJSL Creed 5042C, Lot 32D sire.

LEBANON, MO

These four embryo lots come from the progressive Glendenning's J Bar J Ranch program and we're honored to have them in this set. There are four lots of three conventional embryos to the great TMCK Foxtrot 569F ET female. She is a daughter of the highly prolific TMCK Applause 301A donor and MAGS Cable. TMCK Applause 301A is a MAGS Y-Axis female that never misses. This female is in a league of her own. She ranks in the top 15% of the breed or better for her weaning weight, yearling weight and mainstream terminal index. You truly cannot go wrong with any of these four bulls that have been mated to her. Take your pick and invest in the best!

LOT 32A - SSTO Guns n Roses is the TASF Crown Royal 960C ET son. Crown Royal is a son of the ever-trusted DHVO Deuce and out of an impressive female, TASF Whiskey Lullaby 357W. SSTO Guns n Roses is a purebred bull out of the highly coveted Riverstone Charmed female. She is the national champion female known as "Larissa," sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. We know that everyone will have their eyes on this mating! These embryos will be 76.5% Limousin and homozygous black.

LOT 32B - If you've paged through this offering, you'll understand the presence COLE Genesis has! He is the top-selling lot from the Coleman Limousin Ranch 42nd Annual Bull Sale. He is a double homozygous, purebred son of HUNT Credentials 37C and out of the COLE Miss X-Rated 354A female. This mating is another great testament to the progressive program at Glendenning's J Bar J Ranch. These genetics will hold their value for many years to come. These embryos will be homozygous polled and 70% Limousin.

LOT 32C - MAGS Firestone is another hot commodity in this elite set of genetic packages. He was the top-selling lot at the 2019 Magness Land & Cattle Southern Division Bull Sale. He is a homozygous polled son of MAGS Apple Jack. He is 56% Lim-Flex and the odds are all stacked in his favor. These future calves are sure to go down in history as some of the most prominent genetics in the Limousin breed. They will be homozygous polled and 54.5% Lim-Flex.

LOT 32D - Glendenning's J Bar J Ranch sure does know how to bring the heat with mating the impressive TMCK Foxtrot 569F ET female to CJSL Creed. He was the high-selling lot in the 2018 Tubmill Creek Farms Sister Act Online Sale. He is a double homozygous son of the proven MAGS Aviator. These three conventional embryos will have major staying power in any herd, but you'll have to act fast on sale day! They'll be a major sale attraction and will be 53% Lim-Flex and double homozygous.

NEW FLORENCE, PA

MAGS Federal Reserve, Lot 33 sire.

Without a doubt, these embryos will be the talk of town for years! When Tubmill Creek Farms told us of their intention with this embryo lot- we could barely contain the excitement. These three conventional embryos will be from the highly anticipated mating of MAGS Federal Reserve 1014F and the great MAGS Bethany 9245B female. MAGS Federal Reserve was the high-selling lot in the 2019 Magness Land & Cattle Western Slope Bull Sale. He is a double homozygous son of the great MAGS Cable bull. MAGS Bethany 9245B is quite the impressive daughter of EXAR Upshot 0562B. Her dam is the great AUTO Carminda 656S donor, a JCL Lodestar female. She is a number giant- her weaning weight and yearling weight figures both rank in the top 10% of the breed and her marbling figure ranks in the top 25%. Genetics that are this valuable are difficult to part with, but even more difficult to acquire! Don't pass up this special opportunity made possible by Tubmill Creek Farms. WLR Ugly Betty 432U, a full sib to the granddam of Lot 36.

S A V America 8018, Lot 36 sire.

When we learned of this mating- our hearts immediately started racing! Seven Oaks Land & Cattle of Sallisaw, OK have consigned three IVF heifer embryos from the SAV American and WLR Zasha mating. SAV America 8018 is the Schaff Angus Valley & Herbster Angus Farms bull that completely shattered every single record in the SAV program- his 205-day weight of 1107 pounds and being the highest-selling bull in the industry's history. SAV America's 80% semen interest sold for \$1.51 million. He is a son of SAV President and his dam is SAV Madame Pride 0075, a donor that has produced over \$5.5 million in progeny sales. The WLR Zasha female is a full sibling to WLR Ugly Betty, the leading donor for Wies Limousin Ranch. She is the dam of two of the most powerful females in the breed today- AUTO Bette 266Y and AUTO Bliss. AUTO Bette was a past National Junior Limousin Show Grand Champion Female for Adam Griffith. AUTO Bliss is a lead donor female for Lawrence Family Limousin, Hall Cattle Company, Coyote Hills and Diamond Hill Cattle Company. This could possibly be one of the most comprehensive and explosive matings to enter the Limousin breed.

CELL Glamour Girl 9226G, Lot 38A, 38B, 38C dam.

This is such a unique genetic opportunity that will catapult any operation into the future of the CELL Glamour Girl 9226G progeny storybook. She is sired by the ever-popular show heifer maker, Colburn Primo 5153 and out of the national champion female, MAGS Wassail. Primo is the Dameron First Class x Silveiras Saras Dream son that continues to dominate show rings nationwide. MAGS Wassail is the DHVO Deuce daughter that is continuing to influence top individuals lineage today. CELL Glamour Girl 9226G was the high-selling female in the 2019 Linhart Limousin Fall Harvest Production Sale and for great reason.

SSTO Guns n Roses has such an elite presence in this offering. He is a purebred son of TASF Crown Royal 960C ET and the ever-famous Riverstone Charmed 50C female. Combine SSTO Guns n Roses with CELL Glamour Girl 9226G and we believe the outcome will be explosive! We are excited to have Freed Livestock offering a sexed heifer embryo out of this captivating pair. This sexed heifer embryo will be 75% Lim-Flex.

This is another mating that we can't say enough about! FWLY Can Do is the son of RLBH Air Force One and the powerhouse CLLL Crystal 334W female. Can Do was the 2018 American Royal Grand Champion Limousin Bull raised by Fawley Farms that has such a captivating presence in this genetic lineup. This mating indicates proven consistency and shear quality - you'll want to add this sexed heifer embryo to your arsenal! This sexed heifer embryos will be 59% Lim-Flex.

ELCX Kings Landing 599D ET is another individual with a stunning presence in the Limousin breed. He was the 2018 North American International Livestock Exposition Grand Champion Bull exhibited by Edwards Land & Cattle, White Valley and Wies Limousin Ranch. He is a double homozygous son of MAGS Xyloid and out of the one and only WLR Prada donor female. This mating will be a great opportunity to find out what this blend of elite genetics will do for you! This sexed heifer embryo will be 65.5% Lim-Flex and homozygous polled.
