OPEN BREEDING CATTLE SHOW

THE *International* ABBA INTERNATIONAL BRAHMAN SALE

MARCH 25, 2021 • 7:30 PM • EXTRACO EVENTS CENTER • WACO, TEXAS

Dear Brahman Enthusiasts:

We are extremely honored to invite you to the 2021 International Brahman Sale that will be held in conjunction with the "International Show". This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities and this elite sale. The sale committee has worked diligently to secure some of the most outstanding genetics from the most recognized breeders in the breed for this prestigious sale. This offering will consist of show heifer prospects, cow/calf pairs, an aspiration, a pregnant recipient, embryo lots and semen that combine some of the breed's most elite genetics.

The American Brahman breed is experiencing one of its all-time highs in demand due to the influence the breed plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive to improve and remain competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. We encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

As in past sales, we have videoed the offerings for further inspection of the cattle. The videos and sale catalog can be viewed at www.brahman.org and www.cattleinmotion.com. If you are not able to attend the sale in person, we encourage you to view and bid online with Cattle In Motion.

On the day of the sale, the Pre-Sale Cattle Viewing & Party will begin at 6:00 PM and the sale will start promptly at 7:30 PM. All of the sale activities will be held at Extraco Events Center (the same venue as the show).

If we can provide any additional information for the sale lots or can be of assistance, please contact the consignors directly or reach out to the Sale Manager Chris Shivers at 713-202-1747.

Sincerely,

2021 International Brahman Sale Committee

BCC Lady Ellie Mae Manso 120/9 is a halter broke female that combines all the attributes we're breeding for at BCC of femininity, soundness, and power with a pedigree and performance profile to back it up. 120/9 is sired by the world-renowned Vanguard sire, (+)JDH Atlas Manso 328/3, who is known for siring the popular National Champion +JDH Mr. Manso 840 "The Graduate," +JDH Mr Manso 854/4, and countless donor females. On the bottom side, 120/9 is out of JDH Lady Manso 908 one of our top donors who produced 60 transferrable embryos on her last aspiration. The cross of (+)Atlas on JDH Mr. Manso 579/4 daughters has been a proven cross around the world. Phenotypically, you have to appreciate 120/9 for her structural correctness, muscle, rib shape, and all in a feminine package. A true donor in the making, 120/9 ranks in the top half of the breed for 10 of 14 measured traits. As the pick of our (+)Atlas calves to date, Bentke Cattle Company retains the right to two IVF aspirations on 120/9 if remaining in the United States.

There is a lot to appreciate about this outstanding July 2020 baby. Ms. Casaray Silhouette is a halter broke female that combines the essentials of volume, eye appeal, structure, muscle, and pedigree. Based her phenotype and disposition she should make a successful show heifer but her incredible pedigree should not be overlooked. She is one of the very first offspring to be sold by the 2019 National Champion RMC Monte Montsont. The dam to Silhouette is a top donor for Casaray Ranch, a full sister to the 2009 Reserve National Champion and proven donor +Ms. Winchester 4/8, backed by a proven pedigree with EVERY animal reaching the Register of Renown, and the result of the proven cross of two National Champions and multi-time Show Animals of the Year with +Winchester Magnum and +Sting Ray. No matter your objective you can't go wrong with the purchase of this elite female!

Destined for Greatness! Mr. H Able Manso 307/9 is one of the most exciting young sires in the breed that has the components to be a breed influencer. Most appreciate the build of this young sire that is sound structured, stout made, big bodied, heavy muscled, and ideal for breed character. Due to his superior phenotype he was selected as the Reserve Grand Champion at the 2020 All American as well as division champion at a number of ABBA Open Shows. In addition to his show ring success it should be noted that Able was the Overall High Scanning (carcass ultrasound) Bull at the 2020 All American and as might be expected ranks in the top 1/3 of the breed for REA & Marbling and in the top half of the breed for WW, YW, and Milk. Mr. H Able Manso 307/9 is one of the first calves to be sired by JDH Turkana Manso 607/6, a purchased herd sire, who has been siring winners and sale toppers for Heritage Cattle Company. The dam to Able is Lady H Barbie Manso 319/2 the 2015 Reserve National Champion, a top donor for Heritage Cattle Company, and the daughter of one of the most influential dams EVER for Heritage Cattle Company +Lady H Mariana Manso 812. A FEMALE BRED BY STYLE AND BUILT FOR SUCCESS! Herzog Cattle believes that consistency is the key to success and MISS HC BONNIE 134/0 has consistent style, performance, and Red Brahman excellence running through her veins. It requires elite, laser focused breeding to build a female with this caliber of balance, ultra-sleek presence, clean lines, and overall power. From the ground up this female possesses bone, base width, strength of hip, and the superior structure that we strive for. Bonnie's confident, show-stopping profile is stamped by her flawless dam, Miss WCC Foxy Cleopatra 144/5, who had record show ring success including the 2017 Grand Champion Red Female at the All-American, Grand Champion Junior Red Female at the Kickoff Classic, and several other Champion titles. Foxy is a full sister to the globally known, +Mr. WCC Maximus Rojo 82/4, and she remains one of the most unique and productive females in our program. Bonnie is sired by the popular, 3X-HK MR. 966 'Parallel', who has gained worldwide acceptance with his progeny including the 2019 Reserve International Champion Miss WCC-6W 278/7. We are offering this opportunity for MISS HC BONNIE 134/0 because we believe that she has a combination of quality that will be successful in the show ring, and for years to come in the front pasture!

The beautiful dark pigmentation, depth of rib, femininity, breed character, and muscle likely attracted you to this female. As you further study her you realize that she is sired by the 2014 National Champion +JDH Mr. Manso 840 "The Graduate" who has been one of the top sires of the past three years with numerous winners to his credit in the USA and abroad. The dam to 497/1 is a regular calver and is the result of crossing one of the most maternally oriented J.D. Hudgins sires, JDH Pecos Manso 28/4, with the 2007 Reserve National Champion Female. Take advantage of this opportunity to purchase a "keeper" heifer from J.D. Hudgins, Inc. that has the components to be a cornerstone breeding piece for any progressive operation!

Wow, Wow, Wow! Only in a sale like this would we even consider offering such a female as Moreno Ms. Lady Olga Joana. For starters she is backed by one of the most progressive pedigrees in the breed. Her dam was an International Champion, produced a Reserve International Champion among numerous other winners, and is a daughter of the iconic +JDH Mr. Elmo Manso. The sire to Olga Joana is +Mr. V8 380/6 who sired more show ring winners over the past 10 years than any other sire which helped propel him to the #2 Register of Renown ranking. Of course we get hung up on her pedigree for obvious reasons but be sure to study her genetic profile that ranks in the top 2% of the breed for growth and 10% for Ribeye Area. To further compliment her superior pedigree and breed leading performance this elite female is built right being heavy structured, big bodied, long, level, and super feminine with great pigmentation. There is no doubt that Moreno Ms. Lady Olga Joana is a donor candidate with her pedigree, performance, phenotype and ability to be mated BOTH grey and red.

Special Opportunity!!!! This offering provides the rare opportunity to obtain sexed embryos from two of the most renowned animals in the Brahman breed. +Mr. Winchester Magnum 999/3 was not only a National & International Champion but accumulated enough show points to be named ABBA Red Show Bull of the Year two-times! Of course his show record is impressive but the impact that he has played around the world siring numerous champions makes him the most influential sire of the past 20 years and propelled him to the #1 Red Bull in the ABBA Register of Renown. To further add to the value of this package is the dam side, CT Lady Lacey Rhineaux who was a National Champion and Reserve International Champion culminating into her being named the ABBA Red Show Cow of the Year. Lacey she is sired by +Mr. V8 380/6 who sired more show winners than any other sire from 2011-2017 and out of the #1 Register of Renown, International Champion, National Champion and Show Cow of the Year, +CT Lady Rhineaux Ray 8/9. Selling three embryos with a guarantee of one 60 day pregnancy if the implant is made by an accredited technician. If the first three embryos do not result in a pregnancy one additional embryo will be given.

PICK OF THE NATIONAL SHOW STALLS

Don't miss out on the opportunity to purchase the right to select your stalls for the 2021 National Brahman Show that will be held at the Fort Bend County Fairgrounds in Rosenberg, Texas on November 3-6!

TERMS & CONDITIONS

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association.

SPECIAL TERMS:

Due to this being a video sale not all of the consignments will be at the sale venue. If the purchased animals are not at the sale venue and able to be picked up immediately the seller will maintain the animal at no cost to the buyer for 10 days. Unless other arrangements are made between the buyer and seller after the 10th day the seller will begin charging the buyer \$5.00/day for care.

Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The International Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$5.00 per head per day (paid by purchaser) until they are shipped.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be offered.

HEALTH: Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the buyer.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the International Brahman Show & Sale and sale manager assume no liability, legal or otherwise, for any accident that may occur. The International Brahman Sale accepts no liability for the animals after they are sold.

CONTRACT: The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: Transportation of cattle can be arranged.
