TERMS

GENETIC DEFECT DISCLAIMER: All lots have been tested for the Standard Genetic Defects and are labeled as such. Updates will be available on sale day.

TERMS: All cattle in this sale sell under the sale terms as written by the American Shorthorn Association. Updates will be available on sale day.

PAYMENT TERMS: Terms of the sale are cash or check made payable to Aegerter Marketing Services, Inc., immediately following the sale and before the cattle are removed from the premises. Purchasers or their representatives must sign the bill of sale prior to leaving the sale.

BILLED ACCOUNTS: All billed accounts are due and expected within 10 days of the sale date. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller of a reasonable amount of time. Neither the owner, employees, auctioneer, sale manager or other affiliated personnel can be responsible of any accidents, but they will make every effort to provide for the safety and comfort of those attending.

BREEDING GUARANTEE: We guarantee all livestock sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity for the show ring, we hold the feeder responsible for any reproductive problems and no longer feel responsible to guarantee that individual animal. In the rare case that this should occur, the Red Dirt Treasures Group will still try and help you through two breeding seasons.

EMBRYOS: The Red Dirt Treasures group will guarantee one pregnancy on each package of embryos selling if implanted by a certified technician.

FLUSH RIGHTS: The Red Dirt Treasures consignors reserve the right to one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. Flush to take place at the convenience of the buyer at a location of their choice.

Dear Shorthorn Friends,

It is once again a sincere pleasure to invite you to the Lazy Bar F and Double G Shorthorns and guests "Red Dirt Treasures" Sale. These programs are truly committed to creating superior Shorthorn and ShorthornPlus genetics and as you review the offering in the catalog I am sure you will agree. Once again we have something for everyone in the offering including Bred Females, Cow/Calf Pairs, Show Heifer prospects, Herd Bulls, Embryos and Semen.

Not only will you get to evaluate great cattle, the hospitality will be second to none. Please take time to be with us on April 10th to evaluate this offering and share some great Shorthorn Fellowship. You will not be disappointed.

As always, please contact us if we can be of assistance.

Sincerely,

Jeff K. Aegerter

This 4312 cow has firmly established herself as our top donor cow. She was Fifth Overall at the 2015 Junior Nationals and was crowned grand champion of the NWSS junior show. Now, she repeatedly continues to produce elite show heifer prospects, both naturally and in our ET program. Though not a sister, 602H has become a favorite of mine and reminds me so much of the high seller in our initial sale, 25F. That heifer claimed many honors, most notably, breed champion at the Kansas beef expo. 51H, natural calf of 4312, exemplifies the muscle and power we typically see this cow transmit. A November born that rivals any we've ever had. Big time genetics here, with everything essential to win at the very highest level

This is a full sib to last years cover girl 32G. Other than color, 32H is a spitting image of that female when she was this age. A bit framey now but has a killer look. Once she starts to fill out in the coming months, it'll be hard to put a hole in her. This is one with a build to excel at that year mark, and even more so as a bred.

LOT 5A ... If you like them with an extra shot of stout you'll really appreciate this one. Check her out sale day .Early visitors have described this prospect as the tricked out big legged one. Photo and video day the crew loved this one on the wash rack. I see Emily 082H as being one of the most versatile breeding pieces we have offered for sale. A link to the videos can be found at our Facebook page Weeping Fox Ranch.

LOT 5B ... Stunning from any angle. Gorgeous colored and about perfect in her body composition and structure. If this one doesn't make your heart go pitter patter then you probably better check yourself for a pulse. I can't stress enough the value of these Charisma daughters as breeding pieces. A link to her video can be found at our Facebook page Weeping Fox Ranch.

LOT 5C ... Look at what we're bringing to Oklahoma! This Charisma daughter is one of the really special fallborns we've offered. She truly makes me jealous that our families junior years are behind us. Any one that knows me, and my kids will attest to this I'm big on what these cattle look like wet. After her first trip through the wash rack it reaffirmed what I've been seeing the last four months. She's so good ribbed, flat shouldered and sleek necked, her joint composition and structure is impeccable. Bid with confidence. A link to her video can be found at our Facebook page Weeping Fox Ranch.

LOT 5D ... All the show ring pundits talk soundness and how they're built from the ground up. This Charisma daughter will satisfy the most discriminating stockmen. Another ultra feminine prospect that you can build a future around. All four of the Charisma daughters we're bringing to Oklahoma are great dispositioned, they've been lead and have all had a showstick on them. A link to her video can be found at our Facebook page Weeping Fox Ranch.

We lost the 71 donor in the fall, so these flush mate sisters mark the end of an age. Although 71's rise to fame was as show heifer of the year and feature donor, we'll remember her best for the exceptional brood cow she became, year after year raising a top end calf all on her own. These two daughters possess the same functional cowy look to ensure them as brood mommas.

Here's a direct daughter of the famed Trump, add a shot of clubby FSF and she's the recipe for producing great show heifers. Lots of hair, style, and super clean fronted, stick this cow in your front pasture and reap the rewards.

Beautiful deep red cow that will flat raise a calf. She's very maternal, good uddered, quiet, and will mate well with just about any bull. This cow is young and has a bright future, she mates well with about any kind of bull. The proof is in the heifer calf.
