HEIFER PURCHASE NOTE: Any Studer Shorthorns female purchase over \$2,000 will receive 5 straws of JSF Marquis 127X (Value \$300) FOB Hawkeye Breeders.

Fall is a wonderful time of the year and it gives us great joy to invite you to our annual Fall Family Legacies Sale. With the changes we have all experienced the last year it seems farm life has been our sanctuary. Bringing more strength and courage to the industry and its' people with a determination to make the land and

livestock we hold a passion for success. I am witnessing some of that success as I look through the Shorthorn breed and see the DSF and Studer prefix mixed throughout the industry. As a high-school student I would sit in study halls, paging through Shorthorn Journals dreaming how I could influence the Shorthorn breed as my Grandpa Ben did. I can thankfully say that dream is coming true! When you spend your whole life doing what you like, it brings great satisfaction to see your cattle bringing success to breeders across the nation as well. I have great certainty that as you look through this sale offering you will find the cattle we are raising have the ability to make your herd succeed. I got this quote from my mother-in-law, Rosemary, a few years back and it still holds true - "behind every success is effort, behind every effort is passion, behind every passion is someone with the courage to try!"

Success isn't worth much if you don't have someone to share it with. I am blessed to have a wife and five children who have supported my passion through the years. It is a dream come true to see them all share the love of Shorthorns with their families as well. As each one of them has taken their own path in life, now they all seem to lead back to the tin shed, each investing in Shorthorns in their own way - even the grandchildren are taking up the halter. They are ALL willing to help--even when I enter 13 head at the Iowa State Fair! I am especially proud to have Nathan, a partner, living just next door, helping with the day to day, moving Studer Shorthorns into the next generation.

Our sale could not be complete without the consignments of Gilman Shorthorns and Mapleton Polled Shorthorns. These two families have been in my life as long as I can remember and our like and kind of Shorthorns are so very similar, as it is our passion for the breed. We are pleased to have them join us once again and look forward to seeing you on sale day!

Austin and Nicki have done a great job with their Shorthorn investments and have researched each selection. The mother of this heifer was purchased as a bred heifer from Leveldale's Investment Sale and has had an outstanding calf each year. Dale says having Studer genetics on both ends of the pedigree puts this heifer at the top of our program!

Here is one you can show as a ShorthornPlus this next year and breed her back and have pure-bred calves. Not only will she be a great cow this is a show heifer all day long and we knew it the day she was born! She has been successfully shown this Summer by Brock and was Reserve Calf Champion at the Iowa State Fair. We own her sire, Saskvalley Footprint, with Oakview Shorthorns. She has been a pasture favorite by many! She got to be such a favorite that Brock wanted her in the show barn. It is your opportunity to write the rest of her story!

This heifer goes back to one of the best Simmental cows we lost this past January. This heifer is one that has style and eye appeal that every show heifer needs in the ring. The Ranch Hand cow family was a favorite of Dave's and one that he was really proud of to have in the pasture. This heifer is no exception and Brock has liked her since she has come to the barn. Don't miss your opportunity to own this Shorthorn Plus on sale day.

With Junior Nationals coming back to the Midwest, my wife convinced Dad and I to flush the Sweet Lady cow to an Angus bull to try and get some plus heifers. Well, we did and my oh my, what a pair we got. 56J has grabbed the attention of many that have come by the farm. We've never bred a female that carries as much capacity through her middle one-third all while having a big foot and elegant front end. 70J is the sleeper of the two, as mother nature would have it she didn't get as good of a start as her sister, but has exploded late this summer and starting to come into her own. Correct, sound and has an awesome disposition. Hope to see these two in Kansas City next June.

GENERAL INFORMATION ...

Terms: The terms of the sale are cash or check. Payment to be made to the clerk immediately following the sale and before the cattle are removed from the Studer Farm. Purchasers or their representative must sign the bill of sale prior to leaving the sale site.

Billed Accounts: All billed accounts are due and expected within 10 days of the sale date.

Insurance will be available for your purchase at the sale through Harding & Harding. Contact either their representative or the clerk at the settlement desk.

Health: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date and cattle born at the consignors have been vaccinated. A list will be available on sale day listing any non-vaccinations.

Breeding Guarantee: All cattle sell under the Standard Breeding Guarantee recommended by the American Shorthorn Association. An exception would be through mishandling either obesity, or under nourishment and illegal practices associated with showing the female.

Liability: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

Registration And Transfer: All animals sell with completed pedigrees or applications for registration.

Transportation: The Family Legacies group will make every effort to assist you in your transportation needs. Local trucking will be available.

Mail Bids: Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative, a sale consultant or a member of the Family Legacies group far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Announcements made sale day will take precedence over printed material in this catalog.

Breeding Update/Calving Information: There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Big performing, long bodied Boardwalk female that has stood out here for quite awhile. Her dam is potentially Dad's favorite cow as he never ceases to make comments on not flushing her enough. I do see a lot of similarities between 57J and her dam. Don't miss this one, just checkout the pedigree.

Due 02.08.2022 to JSF Times Square. Heifer calf

66H comes from one of my favorite cows we got from the Muridale program. She has yet to miss and has a standout year after year. You have to appreciate the cross between Envied and the Canadian influenced cows, clicks every time. Nicely balanced EPD profile to go with a heifer calf coming by Times Square. Sounds to me like a can't miss opportunity.

I won't ever forget where I was on Memorial Day when I got the call from dad that something had happened to Prairie Fire. He was born here and will take his last breath here. Not much semen is left and we hope to nurse him back to get collected. His daughters look like they came from a cookie cutter and 68H is from the same cutter. You could walk through all the bred heifers here and nine to 10 people would circle this one. So many things to like about this female, long, deep bodied & fluid in her motion. Don't miss her on sale day.

A.I.'d to Studer's Taylor Made - 4176051. Due February 1, 2022. P.E. to Studer's Distinct 67D ET- x4236478 from 05.01 - 09.01.2021.

The mother of Brock's show heifer this year and the Champion Super cow pair at the Iowa State Fair. Being bred to Taylor made makes her a full-sib to DSF Velvet 23C. I really debated about selling this cow, especially seeing her daughter this year, but we all know sometimes the best have to find a new pasture to share her legacy!

P.E. to Leveldale Cowboy Up 820F 05.20 - 08.01.2021.

Nice six-year-old bred cow out of Unlimited that produced the nice Cowboy Up bred heifer in our offering, and she's bred back for another one! No slouch of a cow with a 101 WW ratio and a 366 day calving interval.

A.I'd 05.29.2021 to Byland Flash. P.E. to Leveldale Cowboy Up 06.01 - 08.01.2021

A direct daughter of our SM Sweet Lady Cow. Several nice females have come from this cow, including her calf at side as I write this footnote. A truly powerful made brood cow I wish we had closer to the picture pen on picture day.

If I would have known when I went to Manning, Iowa and picked up her dam up at Glen Haven what I know now I would have purchased the entire herd. The Minnie's are ones that we look to produce both females and bulls as we are selling a bull out of her in the February bull sale. Don't miss her just like I didn't miss her Mom!

A favorite by all to look at in the pasture! Her mother was purchased by Jungels and has gone on to produce JSF Next in Line 273D for fellow Shorthorn breeders Stangl Shorthorns in South Dakota. This cow is a maternal sister to him. She will continue to produce as she is bred to Saskvalley Tradition and eliminates all of the guess work! Here is the front pasture kind.

Ultrasounded safe to calve due mid-January to DJS Outsider, pasture exposed to Byland's Universal Bonanza.

One of the best cow families my Dad's ever had, DSF beauty. A daughter of Diablo, a bull that is still being used today and one of the best herd sires used in the last 10 years. A massive, big footed, beautiful cherry red cow that has proven herself year after year.
