• No better way to start the sale then with 557J. Not only is she a daughter of the famous top seller out of Krebs Ranch who demanded \$62,500 “KR OUTFIT” who is a phenotypic standout, but this female comes with that same build and look as well but combines it into maternal, brood cow package that is hard to come by these days. Huge footed, awesome rib shape, and a big hip with excellent skeletal quality is what this female shows and was an easy place to start the sale. Just to sweeten the deal, her grandmother is a full sister in blood to FCF SSC PVF Proven Queen 615 who is a dominate champion and went on to produce the 2016 NWSS Grand Champion and is also the grandmother of the 2017 North American ROV Grand Champion Female, Topline FCF Proven Queen 161.

• Show Heifer alert right here! A daughter of the infamous Silverias Style who has plenty of look, body and balance herself. She combines that with the extra punch, thickness, and stoutness of feature that is not only demanded in the show ring but in a donor cow as well. This one's mother has a winning show career herself, being name champion heifer calf at the Minnesota and Iowa State Fairs, Fourth Overall Champion and Champion Angus at the Badger Kickoff, Early Winter Heifer Calf Champion at the NWSS, and Reserve Grand Champion Female at the Indiana State Preview and Indiana State Fair Junior Show. This one will show just as good if not better than her mother and make you a lot of money in the future as a standout Donor.

- Same story, different heifer here! A female that is as eye catching as they come. Another Great daughter of Proven Queen9, SHE DOES NOT MISS! This one is extra special in our minds as she's a daughter of the calving ease specialist Bush's Wingman, who's starting to make a name for himself making some of the best cattle all over the country and this one is no exception. Awesome, long, feminine fronted, great rib shape and a skeletal build that will keep her in production as long as you want to keep making great cattle with an exceptional pedigree. This one will hang some banners!

- Have we mentioned yet how much we love this one's mother? You can breed her to anything and are almost guaranteed to get a special one every time. Check out this Silveiras Watchout daughter. Love this one's power, thickness, rib shape from every angle and yes, her build is second to none. You can show this one and be successful on every level and then take her home breed her however you want and have a friend in the pasture for a long time. A friend that will generate a lot of dollars for you that is!

- A little different pedigree on the bottom side here but an incredible cow that has done great things for us. A great cross of Primo and Bando 1029 is how we got 135E, the sure-fire mother of this great Lot 5. Couple that with being sired by the exceptional Blacklist and you have genetic bliss. Study this one's picture or just come see her in person and you will be impressed. She has that special look and structural correctness you need in the show ring along with an impressive fresh rib shape that we think will just keep getting even better over time. This one will hit the ground running when it comes to taking her to a show but take her home and get her bred, her winning potential is limitless.

- We think we have brought the best set of Angus we ever have to date and lot 6 is no exception. A great January born female that goes back to the infamous Cheyenne cow family. Her sire is out of the great WCC Classic who is a son of quite possibly the best First Class sons EXAR Blue Chip who continues to sire top sellers and national champions across numerous breeds. This female has a tremendous broody rib shape in her but like all these heifers, we love the extra stoutness of feature and extra thickness she brings to the table. One that demonstrates truly great Angus maternal power.

- Look in here! Something very special is happening with this one and one we like an awful lot. A daughter of the upcoming dominate sire Gateway Follow Me, who is being used in just about every Angus Show operation all over the country as he should. This female, as you would expect, has a great up headed look as she ties her neck so nice out of the top side of her shoulder which helps everything balance so nicely on this female. Another daughter that goes back to the great Cheyenne cow family that has done so much for several breeders across the nation. This one has a great pedigree and more importantly, will be easy to spot in the show ring with a special look and extra intriguing pieces to go with it.

### ~ GENERAL SALE TERMS ~

**BREEDING GUARANTEE:** All cattle sell under the respective breeding terms recommended by their Association. Breeding exceptions would be through mishandling either obesity or under nourishment and illegal practices associated with showing the female. **DNA:** Breeders Alliance consignors retain at our expense the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale. **TERMS:** The terms of the sale are cash or check payable to Breeders Alliance. Payment to be made to the clerk immediately following the sale and before the cattle are removed from the sale facility. Purchasers or their representative must sign the bill of sale prior to leaving the sale site. **INSURANCE** will be available at the settlement desk. **HEALTH:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date and cattle have been vaccinated. **REGISTRATION & TRANSFER:** All animals sell with completed pedigrees or applications for registration. **ANNOUNCEMENTS** made sale day will take precedence over printed material in this catalog. **LIABILITY:** Each animal will be at the buyer's risk as

soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending. **MAIL BIDS:** Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of Aegerter Marketing Services, Inc., a special representative, a sale consultant or a member of the sale consultants far enough in advance prior to sale day. They will be able to assist you at ringside on sale day. **BREEDING UPDATE/CALVING INFORMATION:** There will be added information available at the sale site that will list any additions to the catalog information on new breeding information that will occur after the printing of this catalog. Norman/ Ripberger will retain 1/3 embryo interest in their 2020 born heifers to sell. **AIR TRAVEL:** There are commercial flights to Indianapolis, Indiana and limited flights to Champaign, Illinois. There are private paved strips at Paris and Tuscola, Illinois.

- The BC Lookout mother of this heifer we purchased in the Illinois Expo sale where she won and topped the sale. I have wanted to breed her to something other than Angus and last year when I saw the Simmental bull, Oracle, I thought that was the right time to make the call. When you see this long bodied, sweat fronted, big topped and sound little girl I think you will agree. She is going to be a player in that April class this winter and next summer. She has a great disposition for that young show person.

- Rare Opportunity! A full sib steer to these embryos was shown by Delaney Ott this summer that was the Grand Champion steer at the Shorthorn Junior National, Reserve Champion Shorthorn steer at the Indiana State Fair, Champion Shorthorn and third overall Hoosier Beef Congress and numerous other wins.

- The donor dam is a full sister to SS Dream Lady 161 that has sired several National Champions. Her natural calf this year will be shown by Copper Popelka in Texas and an ET calf out of Hot Commodity born this summer is looking to be our next herd bull. This mating to FSF Perfection 812 we believe will result in big time show heifers or stout herd bull prospects.
